

College-Wide Activity

I. INAUGURATION OF THE BASC CLONAL FACILITY

The BASC Clonal Facility was inaugurated last September 12, 2014. The project is located at the Institute of Agriculture. The construction of Clonal Nursery was made possible through an approved project from the Department of Environment and Natural Resources (DENR). The total budget was P3,500,000.00 of which only P2,000,000.00 was used for the construction of facility. This is in support to DENR National Greening Program.

The occasion was graced by Dr. Portia Lapitan, DENR-ERDB Director and other officials of DENR in the region and provincial levels.

DENR-ERDB Director, Dr. Portia Lapitan spearheaded the cutting of ribbon together with Dr. Gerardo Mendoza, College President and Atty. Gilbert Sherwin Samson chief of staff of Congw. Marivic Sy-Alvarado.

The newly constructed Clonal Facility of the college funded by the Department of Energy and Natural Resources. The facility was inaugurated last September 12, 2014.

II. Hosting of the Graduate Education Association of Chartered Colleges and Universities of the Philippines (GEACCUP)-Region III Meeting

The college was chosen to host the GEACCUP Meeting last July 23, 2014.

III. HOSTING OF JOINT RRDCC-EXPERTS POOL 2ND QUARTER REGULAR MEETING

BASC hosted the Joint RRDCC-Experts Pool 2nd Quarter Regular Meeting held last July 4 at the Rene Cayetano Hall. Dr. Ruben C. Sevilleja, CLSU President and CLARRDEC Chair, presided over the meeting.
