As a Higher Educational Institution, the **Bulacan Agricultural State College (BASC)** commits to exemplify excellence, develop productive and competitive graduates in agriculture and allied fields and demonstrate professionalism in the conduct of its core functions for the attainment of its Vision, Mission, Goals and Objectives.

The Core Functions of the College - Governance, Instruction, Research, Extension and Production have corresponding quality objectives and principles covered by the Policy. These include achieving recognitions that are comparable to ASEAN ideals and principles; aligning academic programs and student services to quality standard; nurturing a strong and vibrant research culture; intensifying innovations and technology transfers; and increasing resource generation of the College. In fulfilling all of these, the College is determined to shape minds and transform lives.

To these ends, BASC is dedicated to a process of continual improvement, satisfying applicable requirements of the standard, addressing risks, and maximizing opportunities.

The Top Management pledges to regularly review and monitor strategic implementation of the Quality Management System in all aspects and at all levels.
