

A collage of various school activities. At the top, a group of people stands on a stage in front of a banner that reads "SOCIO-CULTURAL &amp; LITERARY FESTIVAL 2015". Below this, a group of women in formal attire stands on a stage. In the center, a woman in a green shirt speaks into a microphone. To her right, a choir performs on a stage with colorful lighting. Below the choir, a band is visible. At the bottom, a large group of students in green and yellow uniforms poses for a group photo. The entire collage is framed by a large yellow gear graphic with black teeth.

*"Efficient Fiscal Management as a Strategy for Attaining Relevance and Excellence in Education"*

*"Efficient Fiscal Management as a Strategy for Attaining Relevance and Excellence in Education"*

# About the Cover

The only way to break tradition is to move forward. The progress of the academe is the work of our history but its excellence and distinction is the vision of our future. So goes the saying, past is a good place to visit but not a great place to stay. Because the gears at which the wheels of Bulacan Agricultural State College is steering today and tomorrow are aiming for efficiency in fiscal management, productivity in academic output and relevance in education.

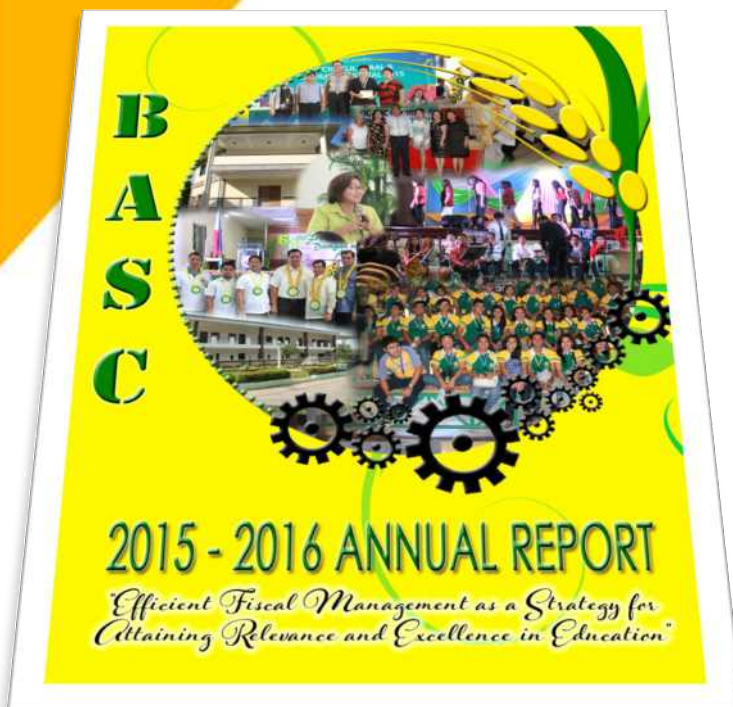

The gears and cogwheels of Bulacan Agricultural State College are purposely devised for these purposes - to contemporize the College's mission of resolutely addressing the ever-changing educational needs and services of those who ceaselessly develop their intellectual horizons and to streamline the outspread of the stakeholders' professional causes competencies.

The grains of palay connected to the cogwheels and leaning toward the sphere of pictures is the seeming evidence that despite the transition of the College to become a center and leader in academic, research, extension and training programs, it is still firmly grounded to its core foundation as one of the premier agricultural schools in the region.

These grains are reminders of where Bulacan Agricultural State College begun sixty four (64) years ago and a reflection of what the College's path should lead to in the twenty first (21<sup>st</sup>) century.

Additionally, the grains swayed towards the sphere of pictures signify the preservation of the social and moral fibers of the College by all its stakeholders spearheaded by the College president, Dr. Gerardo I. Mendoza.

Representing the forward undertaking and movement of Bulacan Agricultural State College is the sphere of pictures which are powered and driven by the cogwheels and gears which in turn are fueled by dedication, ideologies, motivation, philosophies, talents, hard work, unity and harmony among all members of the academe towards common goals.

**HIS EXCELLENCY RODRIGO ROA DUTERTE**

President, Republic of the Philippines  
Malacanan Palace  
J.P. Laurel Street, San Miguel  
Manila

Dear President Duterte:

Warm greetings from the Bulacan Agricultural State College.

I have the honor to submit to your good Office the accomplishments of our College from June 2014-May2015. This report presents a glimpse of what we strived to accomplish for the past school year. It is with utmost pride that through the concerted efforts of the BASC Board of Trustees, College Officials, faculty, non-teaching staff and students, along with the generous support from various stakeholders and partner-agencies both from government and private sector, the institution leaped another step.

With profound acknowledgement of your relenting support and those other government line agencies that helped us achieve our targets, I thank you very much on behalf of the BASC family and the communities that we serve.

Very truly yours,

**GERARDO I. MENDOZA, Ph.D.**  
College President

# Campus History

The story of Bulacan Agricultural State College, a product of decades of educational and sociopolitical metamorphoses, is humble and remarkable. It is a 60-year old state-funded institution of learning situated in Brgy. Pinaod, San Ildefonso, Bulacan.

Established in 1952, the Institution started as the Plaridel Community Agricultural High School (PCAHS) located in Brgy. Bintog, Plaridel, Bulacan. Soon after, PCAHS was renamed Bulacan Provincial Agricultural High School (BPAHS) having just about 100 students. A growth in the student population occurred as students arrived not just from local communities but from other municipalities in the province as well. On 20 June 1953, its name was again changed to Bulacan National Agricultural High School (BNAHS) by virtue of Republic Act 948.

On 8 June 1955, then Pres. Ramon DF. Magsaysay signed Proclamation 163 reserving around 192.5 hectares of the Buenavista Estate for BNAHS. By virtue of Republic Act 2416, BNAHS was converted to Bulacan National Agricultural School (BuNAS) on 21 June 1959.

In 1960, the two-year Associate in Agriculture program became part of the curricular offerings of BuNAS; the first tertiary education program offered in the school which eventually led to the offering of the Bachelor of Science in Agriculture degree with majors in Agronomy and Animal Husbandry.

Cognizant of the prevalent agriculture education and training needs of Bulakeños at the time, Hon. Ricardo C. Silverio, then Representative of the 3rd District of Bulacan, authored House Bill No. 2389 which proposed for an expanded educational program for BuNAS. With the bilateral approval of both Houses, then Pres. Fidel V. Ramos signed Republic Act 8548 officially converting BuNAS into a chartered state college known as the Bulacan National Agricultural State College (BNASC) on 24 February 1998. Over time, its name was changed to Bulacan Agricultural State College (BASC) by virtue of Republic Act 9249 signed by Former President Gloria M. Arroyo on 19 February 2004.

Situated between the country's capital Metro Manila and the Province of Nueva Ecija, it opened its doors in 1952 and 60 years later, it continues to be devoted to discovering answers to the profound challenges of this generation and training students for leadership in today's multifaceted world. Furthermore, BASC has grown to be a regional leader in higher education and remains to be recognized for offering excellent agricultural education, interdisciplinary partnerships and innovative research programs.

The College still supports competent collaborators from different backgrounds to work together with the Administration in the direction of feasible targets. It advocates alliance and modernization across conventional hindrances of education, generating exceptional individuals who pass on their mark to the world. Most of all, BASC continues to uphold its pledge to students, viable research and education.

Like every distinguished education institution, BASC equally pondered and operated upon the bigger world. Its groundwork later became potent and creative. Personnel, students and alumni, partners and stakeholders, and allies have united for this grand educational endeavor. BASC would not be BASC without their dreams, service and allegiance.

Now, its educational calling is to help students by coaching them with leadership and problem-solving proficiency and principles of quality, moral conduct, responsibility to humanity and faithfulness to their potential jobs. Everything is being done to train students for sensible global citizenship and leadership by combining sustainability, public responsibility and esteem for varied outlooks all throughout their curriculum while they acquire deep professional competence.

At present, the College has two satellite campuses on top of the main campus. One is located in Brgy. Sapang Bulak, Doña Remedios Trinidad, Bulacan. Aptly called the BASC-DRT Campus, it was established in 2005. established in 2011, the other campus is located in Balagtas, Bulacan in consortium with Balagtas Technical-Vocational School.

At BASC, we believe that every student, staff and client brings a unique aspiration. All are welcomed and encouraged to carry out accomplishments they feel can play a part to self, community, country and international progress.

# PHILOSOPHY

The Bulacan Agricultural State College believes that paramount to achieving holistic excellence is the implementation of output-based and realistic policies translated into execution of development strategies of every unit of an institution to impart significantly in its overall success as a service-oriented organization.

# IDEOLOGY

The Bulacan Agricultural State College upholds integrity and dedication as its prime virtues, elicits students and staffs' best potentials, advocates academic excellence at all times, and performs as a solid arm of the national government in its agricultural development goals.

# EXCELLENCE

# DEVELOPMENT

# VISION

The Bulacan Agricultural State College as an outstanding higher education institution in the nation with its provision of affordable and excellent education.

# MISSION

The Bulacan Agricultural State College shall strive for excellence in Agriculture and other allied disciplines. It shall provide for and address ever - changing educational needs and services for those seeking to expand their intellectual horizons. It shall address national and international issues and be established as a major presence and contributor to the progress of the global community.

# GOALS

- Ensure that graduates are provided with knowledge, skills, competence and moral values that lead to productive careers both in private and public sectors and the readiness to face future employment challenges in both national and international industries making them contributors to national progress.
- Develop and maintain personnel with competence, knowledge, skills and passion for the translation of education and other services through application of different academic, research, extension and training programs of the College.
- Empower students and personnel by leading in the provision of education and enhancement of technologies in its distinctive learning environment and extend such environment beyond the boundaries of the College.
- Advance the general welfare of its students and personnel at best.
- Further expand networks and pursue partnerships and collaborations with stakeholders and organizations especially the local and national government for enhancement of resources.
- Preserve a scholarly community conducive to learning by providing quality laboratories; adequate classrooms; state-of-the-art e-learning systems; modern libraries, buildings and ICT equipment; and clean and green surroundings.
- Implement more vigorous resource generation projects and consequently boost and constantly increase the income of the College towards self-sufficiency.
- Implement and maintain administrative efficiency and a transparent financial management system.

# From the President

We all need long-term goals to help us outdo the short-term obstacles.

In light of the continuous progress and consistent realization of the Bulacan Agricultural State College's management and educational agenda, we are without adversaries through the process. The College is a microcosm of society and at the same time it mirrors the endeavors each and every one of us faces in life. And life as we know it, no matter where, how and why we live it, is always spiked with obstacles.

Every facility that is built, every building, every equipment and capital outlay the College had produced for the benefits of its members wasn't established and accrued in an easy and quick manner. The College along with its committed, responsible and highly efficient members invested time, intelligence and effort to achieve the condition of the College as it is now.

Each of us contributed greatly at this extent. Starting with instruction, the percentage of the College's faculty members who had completed their Ph.D. and Ed.D. degrees remarkably increased compared last year. Last AY 2014-2015, the College totaled eighty eight (88) permanent faculty members with either master's or doctor of philosophy degrees. But this AY 2015-16 the College now have ninety four (94) faculty members who earned master's and doctor of philosophy degrees.

The growth of enrolment which has been a trend for the past several years truly indicates that more families are upholding the importance of education. The 14.82 percent increase is not just a posted figure. For us, it means that parents are making efforts to send their children to College and they choose Bulacan Agricultural State College because we are staying true to our mission of becoming an outstanding higher education institution in the country with its provision on affordable and excellent education.

Results of the licensure exams for BEEd, BSEd and BSA and BSABEN this year are all favorable as we surpassed the national passing rate. It is not news to everyone that in the previous years we struggled to meet the passing rates of these licensure exams but through collaborative efforts and continuous improvement of our instructions and unending capacity enhancements for our faculty, we now could say that the College is reaping the outcome of its hard work and sacrifices to attain its educational goals.

The celebration of SCUFAR III Sports and Cultural Festival was another highlight this academic year because we successfully fostered sportsmanship and camaraderie among faculty members from all over the region notwithstanding the disasters brought about by typhoon Lando last October.

In the sports arena we also did well as we bested seven SUCs in the SCUAA III Olympics. With less number of players than last year, still BASC showcased great improvement in the regional sports competition as it climbed three steps from its 8<sup>th</sup> place ranking last year. With 16 golds, 4 silvers and 11 bronze, Bulacan Agricultural State College made an overwhelming 5<sup>th</sup> place (4<sup>th</sup> runner-up) finish in the SUC III Olympics. To add to this victory was the reclaim of BASC baseball team as they brought the championship and advanced to the Nationals.

The College's undertakings in research, extension and training were nothing but fruitful as we enhance and increase our linkages with both private and public agencies to expand our services and development efforts to support our clientele. At present we do not just promote and forerun the aerobic rice technology, the College is now delving into the productivity enhancement on Carabao Mango in Region III. Organic Agriculture Validation Project was also established in cooperation with DA-BAR and UPLB. This year, internally-funded researches among BASC faculty members are stimulated and encouraged to uplift the quality and standing of research, extension and training department of the College.

We've also managed to obtain international presentations through researches. Ten papers conducted by faculty members and researchers from RET office represented the College in Brunei Darussalam-Indonesia-Malaysia-Philippines East ASEAN Growth Area (BIMP-EAGA) 2015 Conference. It is quite awe-inspiring to know that few years back, the College is lagging behind in the field of research but in the past couple of years, BASC is racing achievements in agricultural and technological research.

What could be a tough feat for me this year as a president must be the chairmanship of DC-SUC III CIRPS.

All these accomplishments were not completed and reached without trials, difficulties and obstacles. The College had taken a long-term view to achieve it one by one. All of our goals and missions didn't succeed and met without setbacks.

There are failures at times but we always get up, brushed off the dirt and regain our focus because reaching the summit is still our goal. Gearing towards academic excellence with global competencies and standards is our long-term goal. No more. No less.

At this point I would like to say that our great accomplishments can only be addressed and credited to our strong sense of teamwork. And as I always say, the College is very fortunate because its most important asset – its people – has always been compassionate in serving our students and achieving our goals. Having said this, I am extending my sincerest gratitude to all of us who have labored very diligently to surpass short-term obstacles just so we continue triumphing our long-term goals.

In the coming days we shall continue to strive hard, even harder. These powerful long-term goals will certainly help us cut through our deterrents and make us better decision makers and team players in order to achieve our best desired outcomes – relevance and excellence.

Thank you very much, and may God continue to bless us all.

## HOSTING THE SCUFAR III MEET 2015

State Colleges and Universities Faculty and Association Region III (SCUFAR) pursued the conduct of State Universities and Colleges (SUC) Sports and Cultural Festival held at Bulacan Agricultural State College (BASC), October 21-23 notwithstanding the disasters brought about by typhoon Lando in most parts of the region.

Bearing the theme "Sport is sexy, but sportsmanship is sexier", the event fostered camaraderie and sportsmanship among the faculty and staff from the competing SUCs more than winning their competitions.

A grand parade of the nine delegates from the different SUCs in Region III was the commencement event of SCUFAR III Olympics.

The opening program followed, held at BASC Multi-purpose Gymnasium, Mr. Mansueto "Onyok" Velasco Jr., 1996 Atlanta Olympic Games Silver Medalist in Boxing, served as the keynote speaker. He shared his experiences on how he started as an athlete.

Moreover, SUC Faculty Presidents spearheaded the entrance of SCUFAR III logo followed by the lighting of torch of friendship led by Engr. Anthony C. Ortega, Director of BASC-Doña Remedios Trinidad (BASC-DRT) Campus, and the oath of amateurism led by Mr. Herbert M. De Jesus, Sports Coordinator of BASCSEA.

SUCs presidents, faculty heads, Mr. Gherold C. Benitez, President-SCUFAR III and CFASCUP officially declared the opening of the SCUFAR III after the hoisting of Institutional Flags/Banners.

# BASC 64th Founding Anniversary

Bannering the theme, "Efficient Fiscal Management as a Strategy for Attaining Relevance and Excellence in Education", BASC celebrated its 64th Founding Anniversary last February 24, 2016.

The one-day activity was packed with different activities organized by different student organization units for the celebration to become jovial and rich. Cong. Roman T. Romulo, Chairperson, Committee on Higher & Technical Education invited as the guest of honor and speaker, was competently represented by his wife, Mrs. Shalani Soledad-Romulo.

The day of celebration started with the BASC Brass Band parading around the campus followed by a thanksgiving mass and the blessings of the newly constructed and completed College Library Building, likewise, a ground breaking ceremony was held for the BASC Alumni Association Building better known as Bahay ng Alumni.

The highlight of the celebration was the awarding of the 2016 Dangal ng BASC. Greatly recognized awardees were Mr. Anthony A. Infurto in Public Service, Dr. Eduardo V. Cruz in Education, Engr. Celestino M. Mananguit in Agriculture and Engr. Ferdinand B. Correa in Entrepreneurship, Trade and Industry.

Faculty members and students participated at the random fun games facilitated by Mrs. Soledad-Shalani. The Foundation Day was concluded by the Open House consisted of the different student organizations in the College held in front of Dacanay Hall and a concert from the BASC Brass Band.

## Grabbing 1st runner-up crowns at Mr. and Ms. SCUFAR III 2015

BASC's entry couple, Dr. Roberto Wagan and Dr. Josephine de Guzman grabbed the 1st runner-up awards at the 2015 Mr. and Ms. SCUFAR III held at BASC Gymnasium, October 22 as part of the SCUFAR III Sports and Cultural Festival.

Mrs. Leilani Laforteza Gonzales (PMMA) and Mr. Noel Angelo Hernandez Magpayo (BulSU) were crowned as the new Mr. and Ms. SCUFAR 2015 while candidates from RMTU and BPSU were hailed as 2nd runner-ups.

Five SUCs (BASC, BulSU, RMTU PMMA, BPSU) competed in three major categories; provincial town costume SUC uniform (casual wear and formal wear). This along with contest guidelines and criteria for judging was prepared and presented by the Bulacan Agricultural State College-Faculty and Employees Association (BASCFEA).

- Lead Adopt-A-Student program, Pabaon Kay Bunso, and Scholarship Program.
- Awarded "Outstanding Rotarian", "Knights of the Year" and "Family of the Year"
- Participated and hosted different international and national trainings, seminars and conferences.

### **DR. EDUARDO VIZCONDE CRUZ**

Address: Blk. 129 Lot 5, MOLDEX Proper, SapangPalay, San Jose Del Monte City, Bulacan  
Date of Birth: October 13, 1951  
Place of Birth: Solano, Nueva Ecija  
Age: 64 years old  
Civil Status: Married  
Current Employment: Sapang Palay National High School Principal

## For Agriculture

### Major Accomplishments Relevant to the Award

- Awarded as an Outstanding farmer of Bulacan – Rice Category in 2013.
- President of Irrigators Association (2011 – present)
- Vice President of Federation of Irrigators Association of San Ildefonso (2011 – present)
- Chairman of Farmer's Producers Cooperative of Sta. Catalina Bata (2012 – present)
- Proposed the extension of National Irrigation Association (NIA) canal from Nabaong-Garlang to Sta. Catalina.

### **ENGR. CELESTINO M. MANANGUIT**

Address: 181 E. Viudez St., Poblacion, San Ildefonso, Bulacan  
Date of Birth: May 19, 1957  
Place of Birth: San Ildefonso, Bulacan  
Age : 58  
Civil Status: Married  
Current Employment : Owner of Jocel's Farm

# BASC assumes chairmanship of DC-SUC III CIRPS

The conduct of DC-SUC III Center for Interinstitutional Research and Policy studies (CIRPS) Socio-Cultural and Literary Fest last October 27-29 at Tarlac College of Agriculture (TCA) has been triumphant and considered an outstanding feat for the father of the College, Dr. Gerardo Mendoza, who took in the tough responsibilities of ensuring the event's success as this year's DC-SUC III/CIRPS chairperson.

Eighteen events were held simultaneously at TCS and were participated by students from the SUCs in the region. CHEDRO III Director Dr. Caridad Oli Abuan was the guest speaker who centered her talk on this year's theme: Socio-Cultural Heritage Through ASEAN Peace & Unity.

A foreground in the said event was the turn-over ceremony on the first day (Oct. 27) in which Dr. Gerardo I. Mendoza, BASC President accepted the chairmanship from outgoing DC-SUC III/CIRPS chair, Dr. Hilario C. Ortiz. Part of the turn-over were the bestowal of executive directorship to Ms. Annie Rose P. Pagdanganan, BASC Director for the Office of Planning and Management. Meanwhile, Mrs. Geraldine A. Cruz, BASC Executive Secretary was also hailed the new executive secretary/treasurer of DC-SUC III/CIRPS.

Dr. Abuan led the oath of office for the newly elected DC-SUC III/CIRPS officials and also gave inspirational speech to the officials and participants.

Another highlight in the socio-cultural and literary fest was the search for Mr. and Ms. Regional DC-SUC III CIRPS 2015 held on second day (Oct. 28) at Gilbert O. Teodoro Multipurpose Center-TCA.

Winners from all the contests represented Region III in the Philippine Association of State Universities and Colleges (PASUC) Cultural and Literary Festival held at Bicol University in Legazpi, Albay last November 30- December 2. Dr. Mendoza represented Region III in the National PASUC together with the delegates and winners from Regional CIRPS. Region III delegates managed to land as top seven in the over-all rankings of PASUC Cultural and Literary Festival.

The list of activities under the chairmanship of Dr. Gerardo I. Mendoza are as follows: 1. Planning Workshop 2. Research Congress 3. International Conference in Region III. 4. Harmonization of SUC Manual 4.1. Student Scholarship 4.2. Faculty Work Load 5. International Fora and/or Research Output Presentation or Collaboration with an International University 6. Consultation of Coaches and Experts of Cultural and Literary Events 7. DC-SUC III/CIRPS Socio-Cultural and Literary Festival 2016 and 8. Turnover Ceremony of outgoing and incoming chairperson of the Center.

## CHEDRO conducts orientation on ISA

Last May 4, 2016, BASC faculty and non-teaching staff attended the Institutional Sustainability Assessment (ISA) seminar held at Rene D. Cayetano Hall with CHEDRO III Director Dr. Caridad Ollie Abuan as the keynote speaker.

The seminar aimed to ensure that Higher Education Institutions (HEIs) have strong ability to compete through quality programs and to be efficient and effective through quality systems.

It was reiterated in the lecture that quality programs can be assessed through program accreditation and through recognition as COE/COD. While quality systems can be assessed through tools that show the internal capacity of the HEI to translate vision, policy, and strategy into quality programs and quality results.

Further, the College immediately took action to comply with the quality assurance systems implemented by the Commission as it undertaken an establishment of quality assurance office to oversee ISA. Quality assurance systems covered five Key Result Areas (KRAs) and these are: Governance and Management; Quality of Teaching and Learning; Professional Exposure Research, and Creative Work; Support for Students and Relationship with the Community.

## BASC to offer Rice Machinery Operations NC II

A Certificate of TVET Program Registration in pursuant to Republic Act No. 7796 creating TESDA was granted to BASC on May 10, 2016 to offer a program in Rice Machinery Operations NC II. The program covers basic, common and core competencies on operating rice machinery and equipment as well as the application of safety measure in farm operations. This training program is open to farmers and students and will be conducted and implemented at Bulacan Agricultural State College during the AY 2016-2017. Trainees are required to complete 232 hours of training under Engr. Joselito D. Tucit, a BASC-IEAT faculty. The team targets to produce 50 graduates within the one-year program.

**BASC**

**ACSA**

**ACADEMIC  
CULTURAL  
AND SPORTS  
AFFAIRS**

# From the Vice President

## **FOR ACADEMIC, CULTURAL & SPORTS AFFAIRS**

The Office of the Academic, Cultural and Sports Affairs (ACSA) organized and participated in multitude of events this academic year 2015 to 2016. We experienced another year of unbounded commitment and achievements despite some predicaments we managed to resolve. Through the constant efforts of the different academic units in the college and the profound dedication and teamwork of the BASC faculty and administrative staff we have tucked numerous accomplishments under our belt this academic year. As we live by our philosophy of achieving holistic excellence and become an outstanding institution of higher learning through implementation and pursuit of output-based and realistic policies and project developments, ACSA is definitely on the correct path to reaching the college goals and targets.

Once again, our enrolment rate achieved a significant increase of 14.82% or equivalent to 4,734 on student enrolment for first semester while for the second half of the academic year, a total decrease of 314 or 6.63% student enrollees was recorded as this is the usual trend for the past years.

The Licensure Examination for Agriculturists achieved a 13.33% overall passing rate over the national passing percentage of 31.05% taken last June.

On the other hand, five graduates from the Institute of Engineering and Applied Technology brought pride as they marked a 62.50% institutional passing rate surpassing the 40.43% national passing percentage.

For the Licensure Examination for Teachers held last September 2015, the college produced 78 new licensed teachers, 44 for secondary education and 34 for elementary education. The first time-takers for secondary education acquired a 67.92% institutional passing percentage which is above the national passing rate of 41.75%, while the Bachelor of Elementary Education first timers marked a 48.44% passing rate against the 31.36% national passing percentage.

We also held different activities conducted by all the institutes in the college throughout the academic year for the purpose of informing and making the students as well as our faculty updated with the progress in their respective courses and teaching fields. We are not going to stop in enriching the minds and competencies of our students and faculty. This is our mission we fulfill every year.

In relation to this, camaraderie among student leaders and strong leadership skills and values were honed when a team building for the 36 student organizations and one publication activity was facilitated by the Student Organization Unit pursuant to the advocacy of "BASC YES – Youth Empowered Services".

Additionally, we didn't fall short in the capacity enhancements of our faculty as we conducted seminars, trainings and workshops for them within and outside the College. This year also marked the active participation of our teaching force in the field of research and extension projects when all the institutes carried out researches and extension services on their programs funded internally.

We also successfully held our Intramurals this year, the said event became the channel for qualifying players who joined the SCUAA III Olympics where BASC landed 4<sup>th</sup> runner-up (5<sup>th</sup> place) in the over-all rankings. Our College's baseball team even redeemed their gold spot as they placed first in the finals and advanced to the Nationals. Indeed, true sportsmanship is excellence in motion and we will keep on moving to weather sports battles until we reach the top.

As the College gears towards relevance and excellence in education, the ACSA Office will give its untainted support to achieve this cause. As we head towards global excellence and competence, **we pledge to continually sharpen our commitment, mindset, ethics and dedication in ways that could only tread us forward.**

- Dr. Priscilla V. San Pedro

# 64TH Recognition Day and Commencement Exercises

BASC conducted its 64th recognition day and commencement exercises last April 28 & 29, 2016 respectively with total graduates of 717 from two graduate programs, 12 undergraduate programs, one two-year course and one basic education including those who graduated in October and summer 2015.

The recognition program was graced by Dr. Joel C. Evangelista, Operations Manager of Future Farms Limited, Fiji while the graduation rites was celebrated with DBM-RO III Director IV Elisa D. Salon as the guest of honor who both gave inspirational messages to the newly graduates. The ceremony was attended by the BASC officials, faculty, administrative staff and the graduates together with their parents.

# Increase in the enrolment for Academic Year 2015-2016

The Bulacan Agricultural State College achieved a significant increase of 14.82% or equivalent to 4,734 on student enrolment for first semester A.Y. 2015-2016. The figure covers enrollees from the three campuses as shown in Table 2.

Bachelor of Animal Science (BAS) had the highest number of enrollees with 1,005, followed by Bachelor of Science in Agriculture (BSA) with 672, and Bachelor of Science in Business Administration (BSBA) with 454.

Among all the college institutes, the Institute of Agriculture had the most number of enrollees which was comprised of more than one-thirds of the total population. This was followed by the Institute of Management (IM) with 1,124, Institute of Education, Arts and Sciences (IEAS) with 646, Institute of Engineering and Applied Technology (IEAT) with 444, and Institute of Graduate Studies (IGS) with 379. The BASC Laboratory High School (LHS) population had decreased from 288 to 163 students.

On the other hand, BASC-DRT Campus marked a 7.22% increase in the enrolment with 193 students compared to 180 students last academic year 2014-2015 while BTVC Campus recorded 109 enrollees.

For the second half of the academic year, a total decrease of 314 or 6.63% student enrollees was recorded as this is the usual trend for the past years. Table 3 shows the comparative enrolment for first and second semesters of AY 2015-2016. However, the Institute of Graduate Studies (IGS) increased its population from 379 of first semester to 418 of second semester.

## Results of Licensure Examinations

BASC graduates performed well in the 2015 licensure examinations as summarized in Table 2. The Licensure Examination for Agriculturists achieved a 13.33% overall passing rate over the national passing percentage of 31.05% taken last June.

On the other hand, five graduates from the Institute of Engineering and Applied Technology brought pride as they marked a 62.50% institutional passing rate surpassing the 40.43% national passing percentage at Mary Chiles College last August 25-26, 2015.

For the Licensure Examination for Teachers held last September 2015, the college produced 78 new licensed teachers, 44 for secondary education and 34 for elementary education. The first time-takers for secondary education acquired a 67.92% institutional passing percentage which is above the national passing rate of 41.75%, while the Bachelor of Elementary Education first timers marked a 48.44% passing rate against the 31.36% national passing percentage.

Table 5: Passing Rate of Board Examination Across All Programs Covered by BASC

Type of Examination	Date Taken	2015 (First time takers)	
		BASC Passing Percentage	National Passing Percentage
Licensure Examination for Teachers (LET) – Secondary Education	September 2015	67.92%	41.75%
Licensure Examination for Teachers (LET) – Elementary Education	September 2015	48.44%	31.36%
Licensure Examination for Agricultural Engineering (LEAEn)	August 2015	62.50%	40.43%
Licensure Examination for Agriculturists (LEA)	June 2015	13.33%	31.05%

# UPDATES ON ACCREDITATION

The office of the Director for Instruction conducted an orientation for Level III Outcome-based Accreditation held on October 2, 2015 with Dr. Mario S. Subathe Quality Assurance Director from CLSU as a resource person. During the orientation, the office secured survey instruments and PPP guidelines in outcome-based form from AACCUP and distributed the same to the different institutes in preparation for the forthcoming accreditation of the ten programs in 2016.

Dr. Mario S. Suba while discussing about the OBE Accreditation process.

Together with Engr. Liberato B. Silverio, Director for Instruction and Dr. Roberto C. Wagan, VP ACSA.

# academic activities

## **Pledge for service of all BASC student organization units and publication**

Corresponding with the launch of BASC YES (Youth Empowerment Services) Guidelines, 35 student organizations and one student publication joined the 2015 Induction Ceremony held at BASC Gymnasium, July 9.

The BASC YES Guidelines was proposed by Mr. Herbert Anthony V. Roberto, College Guidance Counselor, which aims to unite different student leaders from different organizations.

Twenty four (24) curricular groups, five (5) religious societies, six (6) fraternities and sororities and one (1) student publication were inducted in the said event.

Gracing the event as keynote speaker was Ms. Shineth C. Novera, former Supreme Student Council (SSC) President and Head Teacher 1, Science Department of Vedasto R. Santiago High School. Miss Novera emphasized that student leaders should possess sincerity, honesty, integrity, nurturing and empathy.

## **Joining the Regional Annual Administrative and Tactical Inspection (RAATI) 2016**

One thousand one hundred eighty nine (1189) ROTC students participated in the Regional Annual Administrative and Tactical Inspection (RAATI) held last February 29, 2016 at BASC Campus headed by BASC Commandant Colonel Jose R. Tianco INF. (GSC) PA.

The inspection of the NSTP/ROTC Unit of the college was lead by Colonel Kingsly P. Dupitas together with Lt. Col Orlando A. Buguina, Maj. Orbert S. Ungos, 1Lt. Vencenso P. Labasan, 2Lt. Darrel E. Garcia, MSg. Gregorio A. Macatbag, TSg. Roger M. Daguio, PFC Nelson G. Melvida, PFC Jay-ar C. Altubar, Cpl. Louwe T. Vergara, and Cpl. Francis S. Isidro. The rigorous tactical inspection included drill test, theoretical examination (MS 1 & 2, MS 31 & 32, MS 41 & 42) and military stakes. The BASC ROTC Unit was given a 98.17% overall rating for the administrative and tactical inspection.

# FACULTY WELFARE

## BASC advocates for fighting VAWC

Through the help of the Office of Student Affairs – Guidance and Counseling Unit (OSA-GCU) and Gender and Development Center (GDC), Bulacan Agricultural State College conducted a seminar on Republic Act 9262 or the Anti-Violence Against Women and their Children, headed by Mrs. Teresita T. Mendoza, Gender and Development Focal Person, August 13.

Faculty members from the College joined the seminar which aimed to protect women and those who suffered from physical, sexual and sociological abuse to decrease the victims of violence in the country and also to help them on in the country and also to help them on what to do in case of being abused.

Police Officer 2 (PO2) Marilou P. Pardo, Women and Children Protection Desk (WCPD) Investigator, served as the keynote speaker wherein she further discussed about the victims of abuse and how the law will help them.

## Rikken holds forum on gender equality

A two-day seminar-workshop on Gender and Development led by Mrs. Remedios I. Rikken, chairperson of Philippine Commission on Women (PCW) was held at Cayetano Hall last November 26-27.

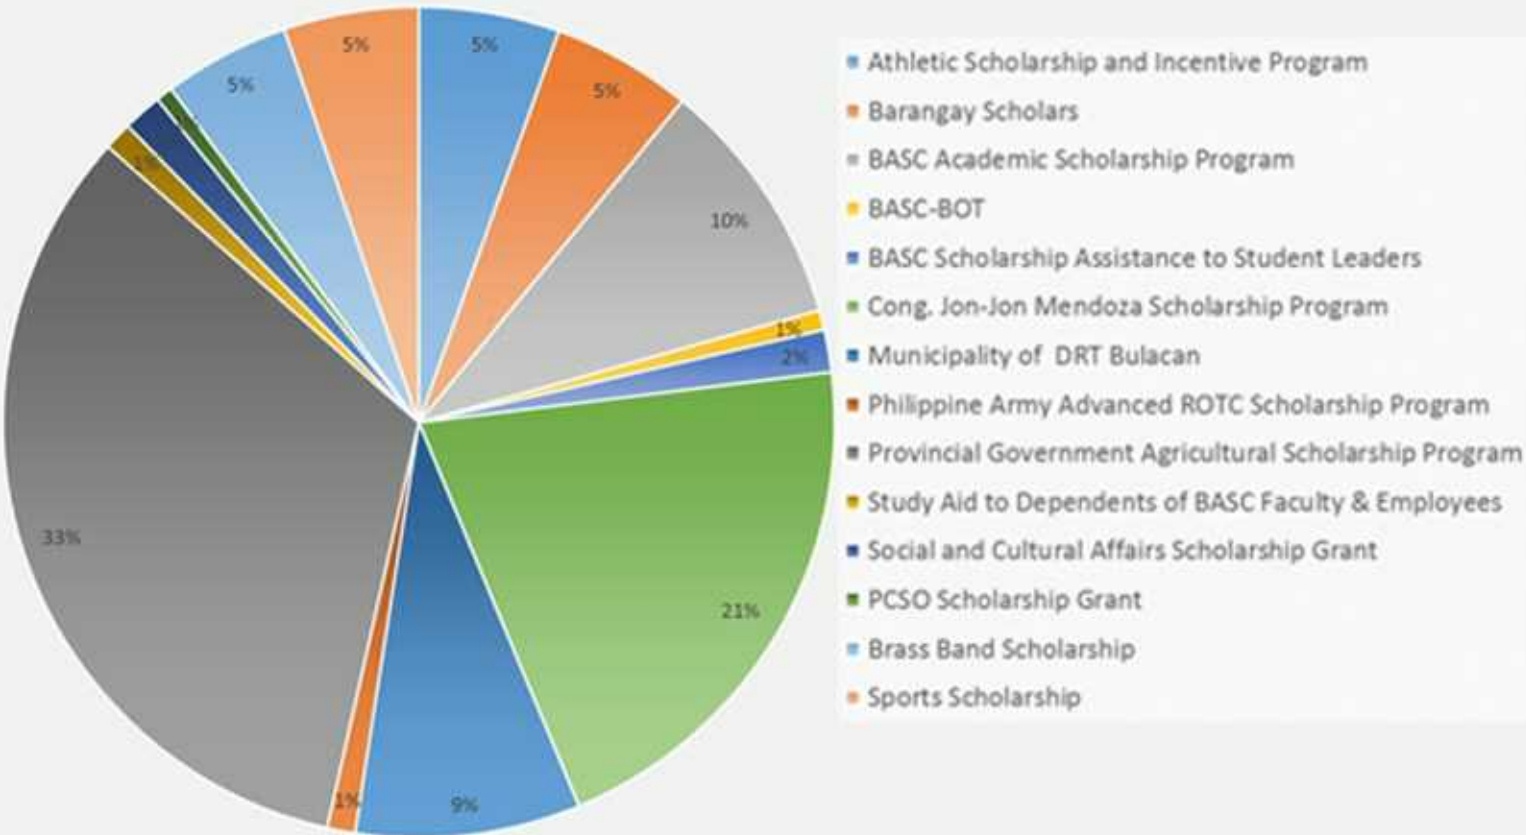

Basic concepts on gender and development such as abolishment of gender bias, sexual division of labor and manifestation of gender bias and gender power development were the key points tackled by Mrs. Rikken.

BASC faculty and administrative staff attended the said seminar-workshop.

## INSTITUTE OF AGRICULTURE

### ACCOMPLISHMENTS x x x x x x x x

- Faculty from Institute of Agriculture attended the National Science and Technology Week organized by Department of Science and Technology at SMX Convention Center last July 27, 2015. Government and private organizations showcased their knowledge regarding new technologies, innovations and inventions that will uplift food security, economic development and ASEAN competitiveness. Guests were Ms. Cynthia Villar and DA Secretary Proceso Alcala.

- The Philippine Egg Board Association, the United Broiler Raisers Association and the National Federation of Gamefowl Breeders Inc. once again open the door for the Philippine Poultry Show and Fiestag 2015 on August 14-16, 2015 at Halls 2, 3 and 4 of the SMX Convention Center.

Poultry Quiz Bee was part of the poultry show and fiestag that was joined by agricultural and veterinary schools in the Philippines. The quiz contest covered general veterinary medicine, animal science subjects and current agricultural and veterinary events and updates. Poultry quiz bee was handled by the Philippine College of Poultry Practitioners. BASC delegates ranked 7th place among the 18 state universities and colleges. BASC delegates were Neal Anjo Alonzo (BAS), Kristel Anne Carpio (BAS), and Louise Alexandria Arevalo (BSA), headed by their coaches Dr. Lorenzo P. Borela, Mr. Rael Tejada & Dr. Helen Manalastas.

- As a yearly academic activity of BSA Curriculum, IA faculty conducted Bridging Program I & II that focused on agriculture-related subjects. This program aims to develop the skills and talents of BSA students. Among the subjects taken were: Pest Identification, Seed Identification, Grafting and Budding, Landscaping, Making of Corsage, Food Processing and other related skills that enlightened lower level students about the subjects to be taken in the higher level. This was conducted during the summer class 2016.

# Institute of Education, Arts & Sciences

## IEAS Extension Project: Mentoring on the 3Rs

Last February, IEAS Faculty headed by Dean Ofelia Silverio and Dr. Priscilla San Pedro, VP of Academic, Cultural and Sports Affairs instigated the launch of its adopt-a-school extension project called "Mentoring on the 3Rs (Reading, wRiting, aRithmetic)". The Institute partnered with Palapala Elementary School upon the discretion of the District Supervisor of San Ildefonso South.

This program is generally aimed to improve the performance of the less advantaged pupils on the 3R's (Reading, wRiting, aRithmetic) through mentoring assistance.

Thirty two (32) student volunteers from BEEd 3B and BSEd 3 Major in Physical Science tutored 50 pupils from grade 1 and grade 2 who were assessed by their advisers and considered less advantaged on reading, writing and arithmetic.

First phase of the extension project included pre-test and mentoring assistance on reading every Wednesday and Thursday.

It is expected that once the extension project is accomplished the pupils will have earned 20% increase in post-test results which will be determined by acquiring the average mean of the enrolled pupils in the mentoring program.

IEAS faculties who are also part of this project are Mr. Herbert De Jesus, Mrs. Joselyna Quizon and Ms. Evelyn Alera. While their Palapala Elementary School Counterpart are Mr. Sonny Cruz, the school principal and Mrs. Len Felipe, the school coordinator.

The second phase of the extension project will resume in August.

## IEAS students winning contests on Gat Blas Ople Day

Bulakenos commemorated the legacy of Gat. Blas F. Ople on his 89th birthday last February 3, 2016 at Hiyas ng Bulakan Museum Malolos, Bulacan.

The highlight of this celebration was the participation of students from different schools who joined the literary competition. BASC representative Sharmine M. Fajardo of BSEd II English won 5th place in Essay Writing category and Angelica Joy L. Alipar of BSE IA earned the 6th place in the Extemporaneous Speech category.

Gov. Wilhelmino M. Sy-Alvarado, Vice Gov. Daniel Fernando and the family of Gat Ople lead by Mrs Susan "Toots" Ople who served as the guest speaker graced the event with inspirational message from his fathers' success.

## Lakan at Lakambini ng Wika steals limelight in Buwan ng Wika celebration

Eighteen candidates from the four institutes and BASC Laboratory High School competed for the most yearned title in the celebration of Buwan ng Wika organized by Samahang Panitik last August 19 at BASC Multi-purpose Gymnasium.

John Rey Mendoza (BAS 1D) at Jaimelyn Villaceran (BSBA 1B) were hailed as fifth runner-ups; Kyle B. Pangilian (Grade 9) and Nixon Gayle Andaya (BSHM 1B) as fourth runner-ups while Jalbert V. Merida (BSGE II) and Rayven Monette O. Magalang (BSEd IC) won third runner up titles.

Almost but not quite title holders of first runner-up were Mark Joaquin (BSHM IB) and Monyna Rose Peralta (BSEd IB).

With their captivating charm and smart answers, Glenn Jasson Elope (BSEd IB) and Princess Kimiko Alberto (Grade 10) were crowned Lakan at Lakambini ng Wika.

Aside from the Lakan and Lakambini pageant other events and contests of the Buwan ng Wika celebration includes Katutubong Sayaw, Pagsulat ng Sanaysay, Poster Making, Kantahang Pinoy, Pagsulat ng Tula and Paggawa ng Slogan.

CATEGORY	AWARDEES
Katutubong Sayaw	Institute of Management Institute of Education, Arts and Sciences Laboratory High School

Pagsulat ng Tula	Carlo Guevarra – BSEd 1A Roxanne Castillo – BSEd 1A Lou Marie Kate Basco – Grade 8
Paggawa ng Slogan	Joshua Rabino – Grade 10A Rico Mempin – Grade 9 Danla Lalaine Salazar – Grade 9

## Conducting ESDC Literary Festival

The English Speech and Dramatic Club (ESDC) held a literary festival last January 27 with cosplay pageant as the highlight of the event held at BASC Gymnasium.

With the exceptional beauty of Cleopatra (Laila Ann Joyce Mendoza) and the power of the four elements brought by Aang (Joshua Mari Felipe), the last airbender, Laboratory High School took home the crowns for the cosplay pageant. Aside from the cosplay event, handful of literary competitions was also held participated by BASC students who had English subjects.

# Institute of Engineering & Applied Technology

## BASC Celebrates Nutrition Month

Bulacan Agricultural State College, in cooperation with the Food Technology Students, takes part in the country-wide celebration of the Nutrition Month held at BASC Multi-Purpose Gym on July 29, 2015, with this year's theme "Timbang Iwasto sa Tamang Nutrisyon at Ehersisyo."

The one-day program was opened by a zumba demo led by licensed zumba instructors Zin Jerick Mina, Zin Kristine Genioso and Zin Che Tagalog. It was followed by the search for Mr. and Ms. Fitness 2015. This second part of the program showcased the beauty, fitness and intelligence of BASC students. Candidates from the Institute of Agriculture (IA), Institute of Education, Arts and Sciences (IEAS), Institute of Management (IM), and Institute of Engineering and Applied Technology (IEAT) and BASC Laboratory High School paraded their poise and wits in front of the judges and BASC faculty and students. Constant loud cheers and applause from supporters were heard when candidates displayed their casual wear, creative costume and formal attire.

Kim Neil Trinidad and Janine Lyka San Juan both from Laboratory High School were crowned Mr. and Ms. Fitness 2015. John McNeil San Juan (IA) and Ma. Jhoy Ancheta (IM) bagged the Mr. and Ms. Nutrition titlewhile Noel Lapuz (IA) and Cynnoel Santos (IA) coveted the crown for Mr. and Ms. Healthy respectively. Additionally, the first runner-up award went to Khimberly Amatorio (IEAT) and Danica Mariz Bautista (IEAS) and Luigi Palaypay (IM) and Babylyn Maon were the second runner-ups.

## IEAT holds Food Safety Seminar

As part of the Nutrition Month celebration, the Institute Engineering and Applied Technology (IEAT) held its second Food Safety Seminar at Bulacan Agricultural State College (BASC) Multipurpose Gym last July 29.

Mr. Paulo Bautista, Sanitation Inspector III of the local government who was the invited speaker discussed to the students and faculty of BASC along with the kiosk owners in BASC and canteen staff the proper food preparation and hygiene of the kitchen personnel. He also lectured about food waste management to avoid food poisoning which is becoming an alarming issue nowadays.

Mrs. Myrna Eguia, IEAT faculty one of the organizers of the event said that they plan to conduct the seminar every year to raise awareness on food safety measures. At the end of the event, Mr. Bautista was given a certificate of appreciation and token of gratitude.

## Promotion of Students' and Personnel's General Welfare

As part of the institute's goal in promoting general welfare, faculty and students participated in the Geodetic Engineering Quiz Bee at UP Diliman last April 18-19, 2016. This event was part of the National Conference of Geodetic Engineering Students of Geodetic Engineering Education, Research and Development 2016 which was also attended by IEAT faculty and students.

Geodetic Engineering students in action in one of the contests held in the National Conference of Geodetic Engineering Students of Geodetic Engineering Education, Research and Development 2016 on April 18-19, 2016

Geodetic Engineering students attended National Conference of Geodetic Engineering Students of Geodetic Engineering Education, Research and Development 2016 on April 18-19, 2016

# Institute of Graduate Studies

## IGS Orientation

To update the Graduate School Students (GSS) on the present policies, programs, activities and functions of ancillary services of IGS, the Institute conducted an orientation-seminar last June 27 at BASC Multi-purpose Gymnasium.

A total of 49 Ph. D. students, 308 MAEd enrollees and 22 MSA students together with IGS faculty and personnel attended the orientation-seminar. Dr. Susan Santos, Dean of IGS delivered updates on the latest policies, programs and activities of IGS.

Along with the orientation, other set of activities was conducted which include: distribution of IGS Manual for newly enrolled GSS and giving of survey forms – Tracer for GSS Alumni), survey questionnaires for GSS VMGO Acceptability and survey giving for one or three day Graduate Education Association of Chartered Colleges and Universities of the Philippines (GEACUPP) Conference.

## Conduct of Search for Mr. and Ms. IGS 2015 and Sports Fest

A two-day impressive event occurred last September 11-12 at BASC Multi-purpose Gymnasium when IGS faculty and Graduate School Students (GSS) participated in the 2015 Search for Mr. and Ms. IGS and IGS Sports Fest and Cultural Contest Presentation.

Eight female students flaunted their charm and beauty for the Ms. IGS Pageant while seven male students showcased their gorgeousness and appeal to grab the title as Mr. IGS. The pageant was conducted to raise fund for the GSS projects and assess popularity of GSS students

With a theme, "Be Active and Healthy! Live Like A Champ!" the IGS Sports Fest was held to ascertain the physical fitness and capabilities of the GSS and promote sportsmanship and cooperation among the players and spectators.

The handful of sports tournaments include: bowling, badminton, table tennis, volleyball and basketball. GSS also participated in the modern/ethnic dance contest and Zumba dance contest and singing contest as part of the cultural presentation. Dr. Leonora Sta. Maria, Mr. Regulus Caibigan and Mr. Sonny dela Cruz served as the judges for Modern/Ethnic Dance while Mrs. Michelle Cortez judged the Zumba dance contest solely. The singing contest on the other hand was judged by Mr. Guilberto Villacorte of the BASC Chorale and College Band, Mr. Jay Mark Albufera and Mrs. Julieta Asuncion both CIRPS singing coaches.

Included also in the event was the E-GSSC Logo Making Contest judged by Ms. Leah Indon (RET), Ms. Imee Esguerra (IM) and Mr. Neil Marion De Guzman (IEAT). Prior to these IGS also held the election of Graduate School Student Council (GSSC) Officers, their oath taking and the selection of GSSC Editorial Board.

## IGS celebration of Graduate Students' Day

Just in time for the Christmas season, IGS organized a double event as the Graduate Students' Day and Fun Holiday Party were held at BASC Multi-purpose Gymnasium, last December 18.

Graduate School students and IGS Faculty members participated in the event where the highlights comprised gift-giving, fun games, singing and dancing contests. Production numbers from GSS were also performed on the stage.

Mrs. Analiza Vendicacion hosted the event as Dr. Susan Santos, IGS dean graced the program with her welcome remarks and Christmas message.

# Institute of Management

## Food Expo 2015

The BSBA4a and BSBA4b conducted the first Food Expo last October 12, 2015 at the Institute of Management Grounds as part of the culminating activity for the subjects Product Management and Professional Salesmanship under the supervision of Mr. Ronald Reagan T. Alonzo, BSBA Program Chair. The aim of this activity is for the students to experience the actual management of product development from its conception to launching in the market

## Nutrition Month Celebration

The BSHM Program led by the Future Hotel And Restaurant Manager Students (FHARMS) conducted different competitions like Fruit and Vegetable Carvings, Flower Arrangement, Market Basket, and Table Setting exclusively to the Hospitality Management Students. The aim of the competition is to develop potential students that can represent the school for the Regional Skills Competition.

## HOTEL IMMERSION

The Hospitality Management 2nd year and 3rd year students attended a live-in seminar for Housekeeping Procedure and Hands-on Opera Reservation System procedure on Sept 12-13, 2015 at City Garden Suites, Ermita, Manila. The activity focused on the application of theoretical knowledge gained by the students in the institution and helps them to become aware with the latest trends and strategies implemented in the Hotel Industry.

## TESDA NC II

Selected Hospitality Management students undergone series of training and assessment in Food and Beverage Services NC II for 3rd year and Housekeeping NC II for 4th year students last February 2016.

- ☐ Food and Beverage Services NC II (BSHM 3)  
: 31/31 or 100% passing percentage
- ☐ Housekeeping Procedure NC II (BSHM 4)  
: 24/24 or 100% passing percentage

## CULMINATING ACTIVITIES

The BSHM 1ST year to 4th year students conducted final culminating activities in HM 134a (Culinary Arts and Sciences), HM 131 (Principle of Baking and Pastry Arts), HM 121 (Food and Beverage Services Procedures), HM 132 (Professional Cookery), HM 135 (Banquet and Catering Services) and HM 137 (Asian Cuisine 1 and 2). The purpose of the activity is to apply the principles and discipline gained by students on their major subjects and helps them in planning and organizing an events.

## Partnership & Linkages

The Department of Business Administration inked an agreement with Young Emerging Sociopreneurs (YES) Program of Boardwalk Philippines for an academic partnership and seminar sponsorships last February 16, 2016 at the Rene Cayetano Hall of BASC.

## Extension Project

The Business Administration Program, together with the BSAM and HM Program, conducted an extension project entitled "Mobile Entrepreneurship Training School" (METS). The extension programs aims to provide livelihood training for the 4Ps beneficiaries of the Philippine Government. The training includes meat processing and basic training in marketing and management. The project covers barangay Bulusukan, Malipampang, and Sapang Putik.

## Seminar in Retail Management

The BSBA Department, in collaboration with the Society of Executives and Entrepreneurs (SEE), conducted a seminar on retailing management with the theme "Challenges and Opportunities in Retailing Amidst Globalization" last February 16, 2016 at the Rena Cayetano Hall of the College. Participants to the said seminar are the BSBA 4th and 3rd year students under the supervision of Mr. Ronald Reagan T. Alonzo and Mrs. Sigrid Ann V. Jao. Resource Person is Mr. Sonny DC. Francisco, Branch Manager of Boardwalk Philippines.

# activities of student organizations

## Strengthening student organizations' leadership skills via team building

Pursuant to the Student Organization Unit's advocacy of "BASC YES – Youth Empowered Services", 36 student organizations and one publication attended the 2015 Leadership Training Seminar held at Hunter Valley Team Building Camp, Cabanatuan City, Nueva Ecija, July 31 – August 1.

Exhibiting the theme "Let the LOVE Begin: Leading with our Love and Examples", the Supreme Student Council (SSC) together with the Office of the Student Affairs (OSA) and Student Organization Unit (SOU), organized the said activity with the aim of enhancing the leadership skills and values of leaders.

Atty. Maria Bernadette R. Carrasco, Youth Program Head of Senator Allan Peter Cayetano was one of the lecturer-speakers in the seminar.

Moreover, Mr. Herbert Anthony V. Roberto, Head of SOU, spearheaded the Values Re-orientation for Student Leaders. According to him, change should start from us. To establish camaraderie among leaders and to strengthen their leadership skills and values, a team building activity was facilitated.

The leadership training seminar was made possible through the scholarship of Sen. Allan Peter Cayetano.

## Gift giving outreach program of SSC Main and DRT, TST

Instead of having the traditional Christmas party, The Soil Tiller (TST), together with the Supreme Student Council (SSC) of both BASC Main and DRT Campus, opted to share their blessings through a Gift Giving Outreach Program for the Dumagat residents of Sitio Bato, Brgy. Sapang Bulak, Doña Remedios Trinidad, December 19, 2015.

At least 40 families of Dumagat tribe were prioritized in which school supplies; clothes and food were given to them by the sponsors. Ample amount of school supplies were also donated by Mr. Herbert Anthony Roberto, BASC guidance counselor.

## Math Club conducted Amazing Race

Headed by Jerome Nuñez, Math Club president, the organization held its first Amazing Race Competition at BASC Campus last December 11.

Institute of Engineering and Applied Technology dominated the race where Clarrize Mainit and Rodwin Catiis (BSABEn 5) slayed the competition after finishing the 10 stations of the competition.

Not far behind them was Mark Edison Villacera (BSABEn 3) who bagged the second place and lagged behind snatching the third place Aries Tayao (BSABEn 5).

Abigail Nuñez (BEEd 2A) and Katherine Ligon (BAS 2A) took home the 4th place while Mark Francis Enríquez and Laila dela Cruz (BSABEn 5) landed on the 5th spot.

## **TST's literary folio brought awards from Gawad Jemalyn Lacadin Award**

The Soil Tiller, the official student publications of Bulacan Agricultural State College won five awards for its literary folio in the Gawad Jemalyn Lacadin Award at the 9th Annual Central Luzon Wide Student Press Convention held at SPCF Language Camp, Mountain View, Barangay Balibago, Angeles City, Pampanga last February 27-29.

TST literary folio was awarded Best Literary Content, Best Page Design-Literary, 2nd Best Literary Folio, 2nd Best Literary Concept and 3rd Best Graphic Design.

The event aims to train student journalists from student publications from Central Luzon and also to enlighten the young writers on what is happening in the society nowadays.

The said event was a tribute to Jemalyn Lacadin, a College Editors Guild of the Philippines (CEGP) member who was killed due to involvement in youth movements.

## **TST organized literary festival**

Having the theme "BUSAL: Expression of Freedom and Truth", The Soil Tiller (TST), official student publication of the Bulacan Agricultural State College facilitated the 2015 Literary Festival, July 9.

Invited guests and resource speakers were Romnick S. Victoria (TST layout artist 2007-2008), for photojournalism, Ronel D. Caña (TST graphic artist, 2002-2003), for artworks, Fernando A. Dionisio, Jr., (TST managing editor for administration, 2013-2014) for short story, Jonathan A. Matutilla, (TST managing editor for administration, 2004-2005) for essay writing and Aldhe B. Cruz, (TST managing editor for finance, 2013-2014) poetry writing.

Winners received cash prizes and certificates. Their winning pieces were published in the TST Literary Folio.

## **BASC Liping Tagalog landed 4th on Singkaban Festival 2015**

Out of nine participating groups Bulacan Agricultural State College's Liping Tagalog Folkloric Dance Troupe bested the remaining contestants with their graceful dance steps in the rhythm of Makulay na Bulakenyo & Panasahan at Himno ni San Ildefonso during the celebration of Singkaban Festival at Malolos Sports Complex, September 8.

## **APO's feeding program activity**

Through the joined effort of Alpha Phi Omega (APO) BASC Chapter and APO San Ildefonso Alumni Association (SIBAA), feeding program was held at Maasim, San Ildefonso, Bulacan on July 28.

With the theme "Kapwa ko, Papakainin ko", students of Maasim Day Care Center served as the recipients of the one-day activity. A total of 50 students benefit in this year's program.

# OTHER ACTIVITIES

The Academic Year 2015-2016 was a productive year for all student organizations. Student leaders and members were able to enhance and strengthen their leadership skills and values through the seminars and trainings they attended and conducted. Students were also given the chance to develop their mental health, skills, talents and established camaraderie among students by participating to activities and events held by different academic, non-academic and religious organizations.

## Intramurals 2015

With Sen. Alan Peter S. Cayetano as the guest of honor and speaker, Bulacan Agricultural State College held its annual Intramurals, September 7-10, 2015.

The program kicked off with the parade headed by BASC Brass Band and ROTC officers followed by seven competing teams and college officials.

Alfredo Luna, SCUAA gold medalist led the Oath of Amateurism and Aaron Japeth Ferma, National SCUAA Olympics, gold medalist lit the torch for the Flame of Friendship. Among the most awaited events were Mr. And Ms. Intrams 2015 wherein LHS representatives took home the crown and Cheerdance competition topped by Institute of Agriculture. BASC-DRT Campus champed the Intramurals 2015 with a total of 86 medals (37 golds, 30 silvers and 19 bronze)

# CULTURAL ACTIVITIES

BASC Liping Tagalog Folkloric Group attended Panday Sining sa Tag-araw 2015.

BASC LTFG conducted folkdance workshop among BASC students (Buwan ng Wika)

BASC LTFG welcomes Fr. Fidel Raura, new vicar of San Ildefonso Parish.

Performance at SUC III CIRPS.

Trophies as 3rd Runner Up - Indakan sa Kalye Singkaban Festival 2014 and 2015, 3rd place KBS Rewaynd and 2nd place Folkdance Competition in Singkaban Festival 2014 and 2015 Luzonwide.

Intermission number in BULAK AT GULAY FESTIVAL 2016.

# sports competitions

## BASC climbs to 5th spot in 2015 SCUAA III Olympics

Garnering 16 golds, 4 silvers and 11 bronze, Bulacan Agricultural State College made an overwhelming 5th place (4th runner-up) finish in the SUC III Olympics held at Pampanga State Agricultural University (PSAU), Magalang, Pampanga last December 15-21, 2015

With less number of players than last year, still BASC showcased great improvement in the regional sports competition as it climbed three steps from its 8th place ranking last year.

## BASC kick golds in taekwondo

Taekwondo players of BASC hit three top spots when Pamela Aure took her lightweight title in the SCUAA III 2015 Taekwondo with just seven seconds running on the first round of their bout against TSU opponent at the Brenz Z. Guioa Multi-purpose Center, December 17-19.

Aaron Japeth Ferma last year's gold medalist reigned again in middleweight division after overpowering the combatant from ASCOT while Christian Mark Sanciangco champed the lightweight division after defeat the kicker from TSU.

On the other hand, Lindsay Trinidad, Kathleine Camacho and Kristine Joy Chua clinched bronze medals in middleweight, welterweight and heavyweight divisions respectively. Dr. Helen Manalastas and Ms. Abigail Mendoza served as the coach of men and women respectively.

## Landing 3rd in the high jump event

Erica Ygot of Institute of Agriculture grabbed the College first medal at SCUAA III Olympics in high jump event after clutching the bronze, December 21. Ygot was the first woman BASC varsity player in the College's athletics' history who got a medal in the tourney.

It was in 2005 when BASC last placed in SCUAA Athletics. Ygot's medal is the College's fourth medal since the its first competition back in 2004.

## Mr. and Ms. SCUAA III BASC bets grab awards

Erick John Orteza and Angelica Villanueva both grabbed special awards during the Mr. and Ms. SCUAA III Olympics 2015 held at Brenz Z. Guiao Multi-purpose Center, PSAU, December 18.

Erick John Orteza received the Mr. Photogenic outdoor award while Angelica Villanueva with her Pinay beauty got the Kingson Choice Award. Both were mentored by Mr. Sidney Barredo.

## Chess team bagged bronze

Three BASC players from chess team took bronze models in SCUAA 2015 Chess Tournament, December 17-19 at PSAU. Nino Olayres got the third slot in Board 2 of men's division while Caryl Sayco and Maraliza Dela Pena, placed third in Board 2 and Board 4 respectively in women's divvion.

## BASC batters entry to National SCUAA

After two years of failing to have the top post, our college's pride finally brought home the championship of the SCUAA III Olympics Baseball after demolishing Tarlac State University, 13-5, in their demolishing Tarlac State University, 13-5, in their 7-innings final match at the Pampanga State Agricultural University (PSAU) Grandstand, Magalang, Pampanga, December 21, 2015.

The remarkable battery of pitcher-catcher tandem of cousins Joener Delos Reyes and Raffy Delos Reyes gave BASC batters an edge as they dominated Central Luzon State University with a score 5-2; Aurora State College of Technology, 11-3; PSAU, 7-0; and Nueva Ecija University of Science and Technology, 9-2, in their way to the championship match.

BASC Baseball Team was composed of Raffy Delos Reyes, Joener Delos Reyes, Lester Isan De Leon, Ronel Villanueva, John Carlo Coronel, IJ Pangilinan, Miguel Dela Cruz, Ryan Roy Esmeralda, Jorel Domanais, John Kevin Regala, Kevin Karl Marquez, Mark Anthony Vicho, April John Punzalan, Ivan Dingalan, Narciso Sta. Ana. Dr. Helen Manalastas was their assistant coach.

## Arnis team ranks 3rd in SCUAA III Olympic 2015

BASC Arnis team took the third spot of the over-all ranking for the 2015 SCUAA III Olympics held at Brenz Z. Guiao Multi-purpose Center, PSAU, December 18-19.

BASC grabbed total medals of 4 golds, 4 silvers and 4 bronze in the sports event that places them on the 3rd slot.

Engr. Anthony Ortega, coach-men and Mr. Roberto Capalad, coach-women, received certificate of recognition for making it to the top 3 in both men and women. They also got certificate for being third overall.

**RESEARCH,  
EXTENSION  
AND  
TRAINING**

# From the Vice President

## **FOR RESEARCH, EXTENSION & TRAINING**

**“2015 has been a prolific year for RET Office.”**

- Dr. Josefina C. Mananguit

Year 2015 proved to be successful in our aim to continually promote research and development efforts to help our clientele.

The office of the Research, Extension and Training made a significant contribution in the College's goal for faculty competence and development by approving internally-funded 17 research projects amounting to Php 341,061 and 5 extension projects with a total approved amount of Php 721,515. For the externally-funded research, the office generated a total amount of Php 2,037,792. Moreover, four development projects with a total amount of Php 8,991,810 was generated which was all funded by the Department of Environment and Natural Resources.

Two extension projects entitled “Science and Technology Community-based Farms on Sustainable Mango Production in Pulilan, Bulacan” and “Aerobic Rice R&D Project for Region III” funded by PCAARRD and DA-BAR respectively generated a total amount of Php 3,268,921.

Part of the remarkable success of RET office was the participation of our team to different regional, national and international conferences. Dr. Imelda S.A. Navarro and Dr. Josie A. Valdez presented their papers at the DOST Regional Research Congress held last July 16, 2015 at NEUST, Nueva Ecija. On July 7-11, 2015, Dr. Josefina C. Mananguit attended and presented a paper in the 1st National Organic Agriculture Scientific Conference held at BengSU, La Trinidad, Benguet.

BASC-RET team also attended the international research forum at the Brunei Darussalam-Indonesia-Malaysia-Philippines East ASEAN Growth Area (BIMP-EAGA) 2015 Conference held at Palawan State University, Puerto Princesa, Palawan last December 14-16, 2015. Presenters on this conference include Dr. Susan C. Santos, Engr. Rhuelyn A. Ballaran, Dr. Josefina C. Mananguit, and Dr. Josie A. Valdez.

It is noteworthy to recognize the efforts of the College in regional and international presentations. During the 2015 DA-RFO III Research, Development & Extension held last June 10-11, 2015, Dr. Josie A. Valdez was awarded 3<sup>rd</sup> Best Promising Paper and 3<sup>rd</sup> Best Poster. He also won as the Best Presenter in his on-going study. For the development and extension category, Dr. Imelda S.A. Navarro won the Best Poster and Best Presenter awards for completed and on-going studies.

In addition, Dr. Valdez won 1<sup>st</sup> place for the Technical Paper Presented under the Soil and Water Aquaculture Category in the 13<sup>th</sup> International Agricultural Engineering Conference and Exhibition, 66<sup>th</sup> PSAE Annual National Convention and 27<sup>th</sup> Philippine Agricultural Engineering Week Celebration held last April 24-30, 2016 at Mariano Marcos State University, Ilocos Norte.

The RET Office also supports the Colleges' commitment in developing and maintaining the skills and knowledge of its faculty, students and the community. 28 trainings were conducted from August 2015 to May 2016.

Indeed, 2015 has been a prolific year for RET Office. These accomplishments were indications that BASC is on its way up and will continue to provide higher professional, technical and special instructions and promote research and extension services and advanced studies.

# major events

## 2015 DA-RFO III RD&E In-house Review

BASC bagged five out of eight awards during the 2015 DA-RFO III RD&E In-house Review held on June 10-11, 2015 at Holiday Inn, Clark Freeport Zone, Pampanga.

For the research category, Dr. Josie A. Valdez presented the on-going study entitled “Water-Productivity and Profitability of Climate Resilient Rice-Based Cropping System in Water Scarce Agro-Ecosystems of Bulacan” which was awarded Best Promising Paper and Best Poster (3rd Place). Dr. Valdez also won as Best Presenter under on-going category.

For the development and extension category, Dr. Imelda S.A. Navarro, bagged the Best Presenter for the on-going study entitled “Region III Invasion: Upscaling of Diversified and Integrated Rice-Based Farming Systems in the Rainfed Lowland and Upland Areas of Central Luzon”. Dr. Navarro also won the Best Poster award (1st Place) for the completed study entitled “Upscaling of Diversified and Integrated Rice-Based Farming Systems in the Rainfed Lowland and Upland Areas in Bulacan”.

## Paper Presentation at DOST Regional Research Congress 2015

Dr. Imelda S.A. Navarro and Dr. Josie A. Valdez presented their papers entitled “Upscaling the Diversified & Integrated Rice-Based Farming System in the Rainfed Lowland and Upland Areas of Bulacan” and “GIS-Based Land Suitability Analysis and Mapping for Aerobic Rice Cultivation in Region 3” during the DOST Regional Research Congress held last July 16 at NEUST Sumacab Campus, Nueva Ecija.

## Participation in the 1st National Organic Agriculture Scientific Conference

Held last July 7-11, 2015, Dr. Josefina C. Mananguit also presented the paper entitled “Effect of BASC Organic Fertilizer and Different Pest Management Strategies in Corn Production in San Ildefonso, Bulacan” in the 1st National Organic Agriculture Scientific Conference with the theme “Philippine Organic Agriculture Competitiveness in the ASEAN” in ATI-CAR, BengSU Compound, BengSU La Trinidad, Benguet.

# 13th Agency In-House Review of Completed and On-Going Research & Development or Extension Projects

Bulacan Agricultural State College Research, Extension and Training held its 13th Agency In-house Review of Completed and On-going Research and Development or Extension Projects on July 29, 2015 at Rene D. Cayetano Hall.

Seven (7) technical papers under Research category, four (4) technical papers under Development category and eight (8) posters were evaluated during the said review. The program was graced by Deputy Executive Director for Administration, Resource Management and Support Services (DED-ARMSS) of the Philippine Council for Agriculture, Aquatic and Natural Resources Research and Development (PCAARRD), Dr. Danilo C. Cardenas. Through Councilor Roderick Salvador, the LGU-San Ildefonso added Php 500 cash incentive for each winner. The result of the evaluation is as follows:

Table 10. In-house Review Awardees

Place & Award	Title of the Technical Paper/Poster	Presentor
<b>Research Category</b>		
1 <sup>st</sup> Place - Best Paper	Aerobic Rice Research and Development Project in Region 3	Dr. Josie A. Valdez
2nd Place - Best Paper	Multi-Environment Trials (METS) of High Yielding Hybrid and Inbred Lines for Adaptation and Acceptability in Favorable-Shallow Rainfed Lowland Rice Sub-Ecosystem in Bulacan, Region III, Philippines	Dr. Josefina C. Mananguit
3rd Place - Best Paper	Varietal Selection for Aerobic Rice Technology	Dr. Josie A. Valdez
<b>Development Category</b>		
1 <sup>st</sup> Place - Best Paper	Establishment of Clonal Nursery and Production of Quality Planting Materials of Indigenous Forest Tree Species	Dr. Josefina C. Mananguit
2nd Place - Best Paper	Productivity Enhancement of Mango Orchard in Pulilan, Bulacan	Engr. Rhuelyn A. Ballaran
3rd Place - Best Paper	Accelerating the Development, Demonstration and Adoption of Palayamanan Plus	Ms. Imee D. Esguerra
<b>Poster Category</b>		
1st Place-Poster Competition	Region 3 Invasion: Upscaling of Diversified and Integrated Rice-based Farming Systems in the Upland Areas of Central Luzon	Engr. Anthony C. Ortega
2nd Place-Poster Competition	Establishment of Clonal Nursery and Production of Quality Planting Materials of Indigenous Forest Tree Species	Dr. Josefina C. Mananguit
3rd Place-Poster Competition	Water Productivity and Profitability of Climate Resilient Rice-based Cropping System in Water Scarce Agro-ecosystems in Bulacan	Dr. Josie A. Valdez

# Attending Brunei Darussalam-Indonesia-Malaysia-Philippines East ASEAN Growth Area (BIMP-EAGA) 2015 Conference

BASC-RET attended the international research forum at the Brunei Darussalam-Indonesia-Malaysia-Philippines East ASEAN Growth Area (BIMP-EAGA) 2015 Conference held at Palawan State University, Puerto Princesa City, Palawan last December 14-16.

Table 11. BIMP-EAGA 2015 Conference List of Papers

Presenter	Title of the Paper
Dr. Susan C. Santos	Climate Change Education: Learning Through Social Networking
Engr. Rhuelyn A. Ballaran	Design and Evaluation of Conductive Floor System for Small Scale Broiler Production
Dr. Josefina C. Mananguit	Multi-Environment Trials (METs) of High Yielding Hybrid and In-bred Rice Lines for Adaptation and Acceptability in Favorable-Shallow Rainfed Lowland Rice Sub-Ecosystem in Bulacan, Region III, Philippines
Dr. Josie A. Valdez	GIS-Based land Suitability Analysis and Mapping for Aerobic Rice Cultivation in Central Luzon Region, Philippines

## Conduct of RET Writeshop

The RET Office through the Technical Working Group (TWG) on Project Development conducted a Writeshop on Writing Proposals last March 7 for 20 IEAT and DRT Campus faculty members held at the RDC Hall. Parallel to this, the TWG conducted a review of proposals submitted to the office last March 16.

Mrs. Leah V. Indon and Mrs. Jennifer I. Guevarra also visited Dr. Julius Caesar Sicat, Regional Director-DOST III last March 8 to discuss the revisions needed for the Research Manual. Dr. Sicat noted that the College would need to address the pressing needs of the community.

## Progress Review and Planning Workshop

A Progress Review and Planning Workshop for the project Aerobic Rice Research and Development Project for Region III held last March 10-11, 2016 at Bagac, Bataan was attended by BASC-RET representatives. Collaborating researchers from BPSU, TCA, CLSU and the LGU of Sta. Ignacia, Tarlac, Farmer Leader, and representatives from DA-RFO 3 and DA-BAR participated in the said workshop.

## Tie-up between BASC and Duran Farms

The Department of Agriculture-Agricultural Training Institute (DA-ATI) has tapped BASC to conduct a case study on Daisy Duran of Duran Farms as an accredited extension service provider of DA-ATI. The proposal has been submitted and revised accordingly with a time frame of six months and budget amounting to Php 149,996.

For the Organic Agriculture (OA) Validation Project, on-station trial of pole sitao was established last March 28. Continuous monitoring of the farms was also undertaken.

Dr. Josefina C. Mananguit, Mrs. Jennifer I. Guevarra and Mrs. Leah V. Indon also attended DOST-PCAARRD's Sipag Fiesta held at PCAARRD, Los Baños, Laguna last March 2. Various products from participating consortia were showcased during the event.

## Joining SUCs' Product Fair

The College participated in the SUCs' Product Fair sponsored by CHED in their celebration of 22nd founding anniversary with the theme: Sustaining and Advancing the Gains. The products' fair was participated by different SUCs all over the country and was held at CHED Central Office, Quezon City on May 16-20, 2016. The College exhibited products such as pickled ampalaya, ginger tea, ginger candy, poultry eggs, aerobic variety rice and organically grown products from farmer cooperators.

# accomplishments in research, development & technology management office

## **a. Aerobic Rice Research and Development Project in Region III (DA-BAR)**

Weed management and data of weeds per 1sqm was gathered last July 29 at the experimental farm at Sta. Ignacia, Tarlac. Data were analyzed using the total volume of weeds per 1m<sup>2</sup> of the experimental plot.

## **b. Unveiling of Diversified and Integrated Rice-Based Farming System proliferates across the Upland Areas of Central Luzon – funded by DA-RFO 3**

Upscaling of the Diversified and Integrated Rice-Based Farming System in the Region III project was formally launched at the Brgy. Calabuanan, Baler, Aurora last April 08, 2016. The said affair was attended by 53 farmers, agricultural technicians and SUCs personnel. Prior to the launching of the project, a Palayamanan model farm has to be established in the area of the farmer cooperator, with 12 initially identified farmer members. The said project was the second to be launched for the seven targeted provinces in Region III.

In Magalang, Pampanga, the project had released the first cycle of loan for the 12 farmer-cooperators on May 06, 2016. Farm inputs were also distributed already in the propose sites of Palayamanan model farm at Samal, Bataan and Palauig, Zambales.

### **c. Assessment of Productivity Enhancement Measures on Carabao Mango in Central Luzon (PCAARRD)**

Mango trees at the College was pruned last July 29. The project was completed last August 2015. Mr. RaelTajada, IA faculty member and project staff, presented the paper entitled Assessment of Productivity Enhancement Measures on Carabao Mango in Bulacan during the PAA International Conference held on last May 18-20, 2016 at Clark Field, Pampanga.

### **d. Organic Agriculture (OA) Validation Project (UPLB)**

Conduct of visitation and monitoring of farmers (conventional and organic) were undertaken last July 8 at the farm of Mr. Narciso Sevilla, conventional farmer cooperator for pole sitao and rice in Bubulong Malaki, San Ildefonso, Bulacan. A wet season trial for rice was established at the College starting June 15 with rice transplanted by July 6. Pole sitao was also planted on June 5.

### **e. Assessment of and Response to the Needs of Women Faculty and Administrative Staff in BASC (BASC-GAD)**

This study identified the needs of women faculty which include the need to feel secure in the workplace, health and wellness, love and belongingness and good working relationship with their co-workers.

An intervention program was formulated which involved a series of activities including team building, workshop on confidence building, socialization activities culminating with a Seminar on Improving Communication and Leadership Skills of Women Faculty and Staff. The study was completed last December 2015.

# accomplishment in extension and training office

## 1. Palayamanan Projects

- **Integrated Rice-based Cropping System in Upland Areas in Bulacan (DA-RFO 3) and Palayamanan in the Community (PhilRice and PGB)**

Financial assistance was released for the Palayamanan in the Community Project last June 24 and July 15 to the farmers of San Rafael, and San Ildefonso, Bulacan. The group of farmers submitted their cost and return analysis for the wet cropping season and budget plan for the dry cropping season. Checking and Monitoring of the model farm in Sapang Dayap, San Ildefonso was also undertaken last July 24, 2015.

- **Regional Invasion: Integrated Rice-based Cropping System in the Upland Areas of Region 3**

The project staff visited the identified project sites and distributed rice seeds, vegetable seeds and plastic mulches last June 25 & June 26, 2015 at Brgy. Bigbiga, Mayantoc, Tarlac and Brgy. Salaza, Palauig, Zambales, respectively.

Field monitoring was also conducted last July 2 & 3 at Brgy. Turu, Magalang, Pampanga and Brgy. Pinagtulayan, Norzagaray, Bulacan.

- **Accelerating the Development, Adaptation and Promotion of Palayamanan Plus (PhilRice)**

The project staff attended the General Farmers meeting last June 2, 2015 at Dagatdagatan, San Rafael, Bulacan and discussed the output of previous Implementers' Planning workshop. Groupings per component were also finalized. A meeting and monitoring of the project status was also held last June 30, 2015. The establishment of learning center was already done through the Bayanihan system and the rice farmers had already prepared their land. Mushroom production was also already stable.

## 2. Productivity Enhancement of Selected Mango Orchards in Pulilan, Bulacan (PCAARRD)

Training for Mango Jam Processing was held last May 27-28 and June 1 at Tenejero, Pulilan, Bulacan. This was joined by farmers, housewives and BASC faculty and students.

## 3. Science and Community-Based Farm (STCBF) on Sustainable Mango Production in Pulilan, Bulacan

The proposed project entitled: Science and Community-Based Farm (STCBF) on Sustainable Mango Production in Pulilan, Bulacan which was presented by Engr. Rhuelyn Ballaran, was approved by the Philippine Council for Agriculture, Aquatic and Natural Resources Research and Development (PCAARRD) during its 10th regular meeting held on October 19, 2015 at the CB Perez, PCAARRD Headquarter, Los Banos, Laguna. The said project has an approved budget of Php 2,533,900.00 with duration period of two year commencing within three months after the receipts of fund.

## 4. Trainings on Aerobic Rice Technology

Another milestone for BASC-RET transpired when the DA-Municipal Agriculture Office of Camiling, Tarlac requested for training on Aerobic Rice Technology last April 18, 2016 at the Municipal office of Camiling, Tarlac. The said training was attended by 60 farmers from the different barangays of Camiling where the resource speaker was Dr. Josie A. Valdez, the project leader of Aerobic Rice Research and Development project.

This was followed by another Aerobic Rice technology training conducted last May 04, 2016 at Brgy. Masalipit, San Miguel, Bulacan. The said training was upon the request of the President of the Bulacan Upland Farmers Association through the Municipal Agriculture Office of San Miguel and DRT. It was attended by 125 farmers from the different municipalities of Bulacan where Dr. Josie A. Valdez was the resource person.

## 5. MOA signing for better delivery of BASC extension services

A formal launching and MOA signing of the Regional Agriculture and Fisheries Extension Network (RAFEN) was held at DA-Regional Office, City of San Fernando, Pampanga on May 18, 2016. Dr. Gerardo I. Mendoza, together with other SUCs presidents, head of agencies and private sectors signed in the MOA where Mrs. Jennifer I. Guevarra signed as witness. The said activity was through the initiative of DA-ATI RTC III which aimed to establish partnership mechanism to harmonize the delivery extension services.

## ON-GOING EXTENSION AND TRAINING PROJECTS

Table 12. On-going Extension & Training Projects

No.	Program/Project/Activity	Output	Future Activities
1	Region 3 Invasion: Upscaling the Diversified and Integrated Rice-Based Farming System in the Upland Areas of Central Luzon– funded by DA-RFO 3	<p>Conducted field monitoring, site validation and lay-outing on the following sites:</p> <p>Brgy. Gugo, Samal, Bataan (September 3, 2015)</p> <p>Brgy. Pulawen, Palauig, Zambales (September 11, 2015)</p> <p>Brgy. Bigbiga, Mayantoc, Tarlac. (September 17, 2015)</p> <p>Conducted Lakbay aral last September 9, 2015 at Mataas na Parang and Sapang Dayap, San Ildefonso, Bulacan. The participants were 20 farmers, three agricultural technicians from Bryg. Turu, Magalang, Pampanga and PSAU staff as project coordinator</p>	Continuous monitoring of the different site in preparation for project launching.
2	Palayamanan in the Upland: Integrated Rice-Based Cropping System in the Upland Areas of Bulacan – funded by DA-RFO 3	<p>A training on Livestock Management and Production was conducted by the Institute of Agriculture held at the BASC-Rene Cayetano Hall for the different sets farmer cooperators, namely:</p> <p>Brgy. Sapang Dayap, San Ildefonso &amp; Brgy. Maligaya, San Miguel – September 18, 2015</p> <p>Brgy. Siling Matanda, Pandi – September 18, 2015</p>	Continuous monitoring of the different sites
3	Upscaling the Diversified and Integrated Rice-Based Farming System in the Rainfed Lowland and Upland Areas of Bulacan – funded by DA-RFO 3	<p>A training on Livestock Management and Production was conducted by the Institute of Agriculture held at the BASC-Rene Cayetano Hall for the different sets farmer cooperators, namely:</p> <p>Brgy.San Mateo, Norzagaray – September 25, 2015</p> <p>Brgy. Loma de Gato, Marilao and Brgy. San Isidro, San Jose Del Monte - September 29, 2015</p>	Continuous monitoring of the different sites
4	Accelerating the Development, Adaptation and Promotion of Palayamanan Plus funded by PhilRice	A training on Organic Agriculture Production and Utilization was conducted by Institute of Agriculture last Sept. 15, 2015 at Brgy. Dagatdagatan , San Rafael, Bulacan. The participants were composed of 35 farmers, 2 agricultural technicians of San Rafael.	Continuous monitoring of the different sites
5	Palayamanan in the Community funded by PhilRice	Distributed rice seeds (NSIC 23), vegetable seeds such as stringbeans, patola, okra, petchay and labanos, vegetable seedlings such as tomato, eggplant, finger pepper and hot pepper, and fruit trees seedling such as guyabano, sweet tamarind, lanzones, rambutan, pomelo last Sept. 10,2015 at Brgy. Kalayakan, DRT, Bulacan. .	Continuous monitoring of the different sites
6	Technology Commercialization	Monitored the activities of farmer cooperators who were provided with cash loan	Collection of loan

## Externally-Funded Research & Development Projects

Table 13. Research, Development and Extension projects funded from June 2015 – May 2016.

Title of the Project	Project Leader	Funding Agency	Budgetary Requirements
<b>Research</b>			
Combined Tillage and Weed Control Practices for Upland Rice Ecosystem in Bulacan	Dr. Josie A. Valdez	DA-RFO III	PhP 1,000,000.00
Water Productivity and Profitability of Climate Resilient Rice-based Cropping System in Water Scarce Agroecosystems in Bulacan	Dr. Josie A. Valdez	DA-RFO III	PhP 400,000.00 (2 <sup>nd</sup> Tranche)
Validation and Documentation of Organic Production Systems for Rice and Vegetables in Bulacan	Engr. Rhuelyn A. Bal-laran	UPLB	PhP 250,000.00
Multi-Location Adaptation Trial	Dr. Josefina C. Mananguit	DA-RFO III	PhP 87,800.00
Case Study on the Evaluation of Daisy Duran Farm as Extension Service Provider (ESP)	Mrs. Leah V. Indon	DA-ATI 3	PhP 149,996.00
Evaluation of the Adoption of the TOT Graduates' Action Plan through FFS	Mrs. Leah V. Indon	DA-ATI 3	PhP 74,998.00
Evaluation of the Season Long TOT on Sustainable Rice Production	Mrs. Leah V. Indon	DA-ATI 3	PhP 74,998.00
<b>Development</b>			
Establishment of Clonal Facility and Production of Quality Planting Materials of Indigenous Forest Tree Species	Dr. Josefina C. Mananguit	DENR	PhP 3,500,000.00
Bamboo Establishment Project of BASC NGP CY 2016	Dr. Josefina C. Mananguit	DENR	PhP 4,280,810.00
Production of Quality Planting Materials/Cloned Seedlings of Indigenous/Premium Forest Tree Species	Dr. Josefina C. Mananguit	DENR	PhP 36,000.00
Social Mobilization Under NGP CY 2016 Timber and Coffee Plantation at Kalawakan, DRT, Bulacan	Dr. Josefina C. Mananguit	DENR	PhP 1,175,000.00

## capacity enhancements

Dir. Jennifer I. Guevarra and Dr. Imelda S.A. Navarro together with three farmer cooperators attended the Forum on the Challenges and Opportunities of the Asean Economic Integration held at PSAU, Magalang, Pampanga last July 1, 2015.

On September 4, 2015, Dr. Josefina C. Mananguit, Ms. Leah V. Indon and Ms. Jennifer I. Guevarra attended the 3rd Quarter Joint RRDC and Experts' Pool Meeting held at BPSU, Balanga City, Bataan.

Ms. Jennifer I. Guevarra attended the National Agriculture, Fishery and Natural Resources Extension Symposium hosted by the Philippine Extension and Advisory Services Network, Inc. (PhilEASNet) held last September 30-October 1, 2015 at the AIM Conference Center, Legaspi Village, Makati City. A sharing of information and experiences about good extension practices was for possible adoption by other extension practitioners.

The Agricultural Training Institute-Regional Training Center (ATI-RTC) called for a Regional Consultation of Agriculture and Fishery Extension for 2016-2017 last October 8, 2015 at Citybelt Event Center City, City of San Fernando, Pampanga. The said consultation focused on validation of programs set forth by the DA for FY 2016-2017. It was participated by Ms. Jennifer I. Guevarra.

The Agricultural Training Institute-Regional Training Center (ATI-RTC) called for a Regional Consultation of Agriculture and Fishery Extension for 2016-2017 last October 8, 2015 at Citybelt Event Center City, City of San Fernando, Pampanga. The said consultation focused on validation of programs set forth by the DA for FY 2016-2017. It was participated by Ms. Jennifer I. Guevarra.

A National Consultation on the Development of AFE Results-Based Monitoring and Evaluation (RBME) System hosted by the DA-ATI was attended by Ms. Jennifer I. Guevarra last October 14, 2015 held at the ATI Building, Diliman, Quezon City. In the said activity, the content of an RBME document was presented and validated for final packaging.

## Wet Season Lakbay Palay Forum

The Philippine Rice Research Institute conducted their Wet Season Lakbay Palay last October 15, 2015 held at PhilRice Central Experiment Station, Science City of Munoz, Nueva Ecija. On the said affair, the new PhilRice-bred varieties and matured technologies were showcased and demonstrated through field tour, lectures and open-forum. Representatives from the College who attended on the said activity were Dr. Imelda SA Navarro and Engr. Rhuellyn Ballaran.

## Participating in the 1st Technology Transfer Day

Another capacity enhancement activity had been bestowed to RET key researchers when Engr. Rhuellyn A. Ballaran and Jennifer I. Guevarra together with Mr. Reynaldo Jacinto attended the DOST held its 1st Technology Transfer Day celebration at the Sofitel Philippine Plaza Manila, CCP Complex, Pasay City last April 27, 2016. The said activity brought together technology generators, research institutions, investors and stakeholders for possible partnerships and technology transfer between innovators and industry. Mr. Jacinto gave testimonials in the event about his experience in mango growing through a power point presentation.

## Attending GAD Benchmarking-Workshop

To further enhance awareness on gender and development (GAD) of BASC faculty and employees, a GAD benchmarking-workshop was attended by the College GAD forerunners, Mrs. Jennifer I. Guevarra and Mrs. Leah V. Indon together with the directors and institute GAD coordinators of the College. Benchmarking was done last May 02-03, 2016, at Batangas State University, Batangas City and Cavite State University, Indang, Cavite. The said activity was through the direction of Mrs. Teresita Mendoza, the College GAD focal person.

### 1. CLARRDEC

Dr. Josefina C. Mananguit attended a Special RRDC meeting and Tribute to the outgoing President of CLSU at CLSU, Science City of Muñoz, Nueva Ecija last June 18, 2015.

### 2. DOE

Dr. Josefina C. Mananguit submitted all the pertinent documents for AREC accreditation in the Department of Energy. Memorandum of Agreement was signed on July 28, 2015 at DOE Office, Bonifacio Global City at Taguig.

### 3. OASP

Dr. Josefina Mananguit attended the Board Meeting of the Organic Agriculture Society of the Philippines (OASP) last June 17, 2015 at Benguet State University in La Trinidad, Benguet.

### 4. DENR

Dr. Mananguit also attended and reported the Status of the Establishment of PQPM/BASC Production in the Mid-year Assessment and Planning Workshop held at Baguio City on June 16-17, 2015.

RET participated in the 2015 DA-RFO III RD&E In-house Review held at Holiday Inn, Clark Freeport Zone, Pampanga.

BASC-RET collaborated and co-hosted with Sultan Kudarat State University and Isabel State University on the 3RD National Aerobic Rice Conference held at Saranggani Highlands, General Santos City.

**BASC**

**AFPBA**

**ADMINISTRATION,  
FINANCE,  
PLANNING &  
BUSINESS AFFAIRS**

# From the Vice President

## **FOR ADMINISTRATION, FINANCE, PLANNING & BUSINESS AFFAIRS**

*“ ... the Office of AFPBA will continue to be steadfast to serve our staff, students and community.”*

- Dr. Germinio B. Giron

The Office of Administration, Finance, Planning and Business Affairs takes pride in presenting to you a glimpse of another productive and successful year. Through the years, the AFPBA Office continuously marks significant contributions in the growth of BASC.

For four years, BASC was among the first batch of SUC's in the country to qualify for the Performance-Based Bonus (PBB) grant. Accomplishing the physical targets was a tedious work which involved close monitoring and evaluation of each unit. However, all these were achieved with the efforts and commitment of everyone.

Moreover, the College was able to generate Php 16.988M from the Capital Outlay (CO) from which the construction of Arts and Science Building, Multi-Purpose Building, and purchase of agriculture laboratory equipment were completed. Also during this fiscal year, awarding of contracts and delivery of materials were done for the new projects such as the construction of two-storey agriculture building, Farmer's Training Center, and Science & Technology Promotion amounting to Php 44.46M.

Financial grants for the conduct of research and extension, scholarships, donations from private individuals and assistance from CHED to accreditation and NAFES projects were also received by the College.

To support the Colleges' aim for physical development and change, several renovations, constructions, repairs and maintenance of facilities were done through the college income.

Our Office also recognizes the need of our faculty and staff to enhance and update their knowledge and capacity. Seventy-eight BASC faculty and staff attended 108 seminars, trainings, conferences, workshops and meetings in the local, regional, national and international levels. We are also pleased to report an increase of faculties who pursued their graduate education program and those who finished their Master's and Doctorate degree.

Truly, this past year proved to be a year of change, growth and development and the Office of AFPBA will continue to be steadfast to serve our staff, students and community.

# accomplishments based on physical targets for F.Y. 2015

BASC continuously takes pride in having been among the first batch to qualify for the Performance-Based Bonus grant for pay out until February 29, 2016.

Among the four delivering units, the Higher Education Services Unit ranked first with a mean of 179.24% accomplishment based on the physical targets. Research, Extension and Training Unit ranked second with 153.96% rate of physical accomplishments followed by Support to Operations (STO) with 102.65% rate and General Administrations and Support Services (GASS) Unit with 101.03% rate physical accomplishments. A total bonus of Php 1,610,700 was released for 122 faculty and staff who equally contributed for the achievement of physical targets of the college. This is an indication that the college strongly unites in achieving a common goal.

## F.Y. 2015 BUDGET

The total annual budgetary allocation of the College for FY 2015 showed a significant increase. As compared to last year's budget, General Appropriation Act (GAA) actual released budget for FY 2014. GAA had allocated a budget of PhP 119,163,000 this year compared to PhP 102,008,000 last year, a recorded increase of 14.40%. On the other hand, SUC income also increased by 15.98% this year. From PhP 30,586,000 to PhP 36,404,000 in FY 2015. Both funds totaled PhP 155,567,000, which is 14.76% higher than last year's PhP 132,594,000. The top three services which benefited largely from these funds are Higher Education Services, General Admin and Support, and Auxillary Services.

Table 17. **ALLOTMENTS (FUND 101 and FUND 164) FY 2015 BY PROGRAMS AND ACTIVITIES**

Programs and Activities	TOTAL GAA (FUND 101)	TOTAL SUC INCOME (FUND 164)	TOTAL GAA + 164 ALLOTMENT
<b>I . General Administration and Support</b>			
a. General Administration & Support	23,217,000	3,888,000	27,105,000
<b>Sub-Total, General Admin. &amp; Support</b>	23,217,000	3,888,000	27,105,000

## STATEMENT OF MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL STATEMENTS

The management of **BULACAN AGRICULTURAL STATE COLLEGE** is responsible for all information and representations contained in the accompanying Statement of Financial Position as of December 31, 2015 and the related Statement Financial Performance, Statement of Cash Flows, Statement of Changes in Net Assets/Equity and Statement of Comparison of Budget and Actual Amount for the year ended. The financial statements have been prepared in conformity with the Philippine Public Sector Accounting Standards and generally accepted state accounting principles, and reflect amounts that are based on the best estimates and informed judgment of management with an appropriate consideration to materiality.

In this regard, management maintains a system of accounting and reporting which provides for the necessary internal controls to ensure that transactions are properly authorized and recorded, assets are safeguarded against unauthorized use or disposition and liabilities are recognized.

As BASC aims to develop and maintain personnel with competence, knowledge, skills and passion in the translation of education, the college supports faculty members pursue their graduate education program as part of their capability growth and development. Faculty members are encouraged to avail scholarship from the College Personnel Development Program (CPDP) or seek external scholarships grants from other institutions like CHED, DOST, or abroad. There were also faculty members who opted to shoulder their own pursuit of graduate education program.

#### Faculty members who graduated from their Graduate Education Program

**Jennifer P. Adriano**  
Doctor of Philosophy  
Bulacan Agricultural State College

**Priscilla P. De Guzman**  
Doctor of Philosophy  
Bulacan Agricultural State College

**Ma. Leonora C. Sta. Ana**  
Doctor of Philosophy  
Major in Educational Management  
Bulacan State University

**Herbert Anthony V. Roberto**  
Master of Arts in Psychology  
La Consolacion University - Malolos

**Gretchen H. Mendoza**  
Master of Arts in  
Educational Management  
Bulacan Agricultural State College

**Engr. Alfredo L. Taluban, Jr.**  
Master in Engineering Management  
Nueva Ecija University of  
Science and Technology

In support to the Colleges' continuous aim for excellence and higher quality education, two instructors were transferred in addition to the pool of competent and proficient faculty of BASC. They were Dr. Cecilia S. Santiago, Assistant Professor III from Western Philippines University and Mrs. Analiza A. Vendicacion, Head Teacher I- English Department from San Ildefonso National High School.

### **Dr. Cecilia Sevilla Santiago**

Dr. Cecilia Sevilla Santiago is currently an Assistant Professor II at Bulacan Agricultural State College. She was the former Dean of the College of Education at Western Philippines University (WPU) from June 2013 – September 2014 and served the WPU-College of Arts and Sciences as an Assistant Dean for six years. She started teaching in the academe in 1999 as an Instructor I. She finished her baccalaureate degree in BS Food Technology at University of Santo Tomas and took 36 units of BSED major Physical Science at WPU where she also acquired her Master in Educational Management in 2005. On April 2010, she finished her Doctor of Philosophy in Development Education at Holy Trinity University. Recently, she completed two researches entitled "Students' Perception on Teachers' Attitudes: Implications to Learning" and "Performance of Student Teachers of Western Philippines University-Quezon Campus", both accomplished in the year 2015. She already published two research papers written as follows.

- ◇ Asia Pacific Journal of Multidisciplinary Research  
Volume 2, Number 5, October 2014  
International Refereed Journal

Title: "Awareness and Perception of Housewives in Selected Municipalities of Palawan  
regarding R.A. 9262 (Anti Violence against Women and their Children Act of 2004)"

Author: DR. CECILIA S. SANTIAGO

Co-author: PROF. ESPERANZA B. AYA

- ◇ REDTI Journal volume 8 series 2011  
ISSN Number: 1656-166X  
Titles:  
"Teaching Commitment of the Faculty Members of Western Philippines University"  
"Attitude of Freshmen College Students of Western Philippines University Towards  
Chemistry: Antecedents and Coping Mechanisms"

### **Analiza Albienda Vendicacion**

Analiza Albienda Vendicacion is presently an Instructor I at the Institute of Education, Arts and Science. She began her teaching career in 2000 as a Secondary School Teacher and Part Time College Instructor at Colegio de San Miguel and then held the position as Teacher I at San Ildefonso High School. Since then, her career at the academe soar as she became the Head Teacher I of the English Department of San Ildefonso National High School from 2011-2015. She was a consistent honor student from elementary to college where she graduated Cum Laude at Bulacan Agricultural State College with the degree of Bachelor of Science in Agricultural Education. She already finished her Master of Arts in Education major in Language Education at Bulacan State University and currently taking her Doctor of Philosophy in Development Education at BASC.

# community involvement

## BASC partaking at Bulak and Gulay Fest '16

The joint efforts of its faculty, staff and student leaders, Bulacan Agricultural State College successfully hosted the 2016 Bulak and Gulay Festival, January 22 with Dr. Gerardo I Mendoza as the chairperson of the 2016 Fiesta Pamunuan.

Floats and street dancers from the float making and street dance contest highlighted the annual celebration as they paraded in several San Ildefonso barangays. Instructors and professors of BASC served as judges on the said event.

Montessori de San Ildefonso (Elem.) and San Ildefonso National High School had a double win for bagging top spot in float making and street dance. Meanwhile, Regina Learning Center and Veritas Learning Center placed 2nd and 3rd in float making, respectively. Meanwhile, Akle High School and Saint John School grabbed the 2nd and 3rd spot of street dance competition.

Winners of the two contests received Php 20,000 cash prize while the 2nd and 3rd placers received Php 15,000 and Php 10,000 each, respectively. On the other hand, with the theme "Pamilya, Pananampalataya at Kabuhayan: Ang Impluwensiya ng Pananampalataya sa Gawi at Pamumuhay ng Pamilya", academic contests were also done last January 21 at the Multi-purpose Hall besides San Ildefonso Church.

**Photo Contest (High School)** : 1st – La Consolacion High School 2nd – Calawitan High School 3rd – Montessori De San Ildefonso

- 1st – Heilee San Jose (SINES)
- 2nd – Christian Joseph Bunoa (SINES)
- 3rd – Lovely Mae Tiongson (SINES)

## BASC participation in SAD Free Movement

Building alertness for Smoking, Alcohol and Drugs (SAD) are the citizens of San Ildefonso Bulacan as they celebrate the 11th SAD Free Movement held at San Ildefonso Multi-purpose Gymnasium, August 7.

Bearing the theme "Laban sa Salot ng Lipunan; Sigarilyo, Alak at Droga, Kabataan Pag-asa ng Bayan", Local Government Unit of San Ildefonso in cooperation with the Seventh Day Adventist, non-government organizations, private and public schools in San Ildefonso, the movement further spread awareness against the said vices.

Pastor Petronio Genebago, founding chairman – SAD Free Movement, further elaborated the main objectives of founding the movement which include saving people from vices, assist them to quit the habit and to develop programs that will make them healthy.

Meanwhile, award winning actor Cesar Montano served as the keynote speaker of the said program. Slogan writing contest, poster making and SI Got Talent competition ensued after the program.

# AWIT NG BASC

Titik: Dr. Jose M. Ignacio

Musika: Dr. Augusto Miranda

I

Pambansang Dalubhasaang Pansakahan

Hiyas na su,ilay sa dibdib ng Bulacan

Kaakbay ang karunungan sa kaunlaran

Mithii'y malinang malikhaing isipan

II

Baya'y inasam ang iyong kandili

Bagong kaalaman sa kabataa'y hasik

Murang diwa'y nilinang sa baying iwi

Kabunduka't kaparangan tanging saksi

KORO:

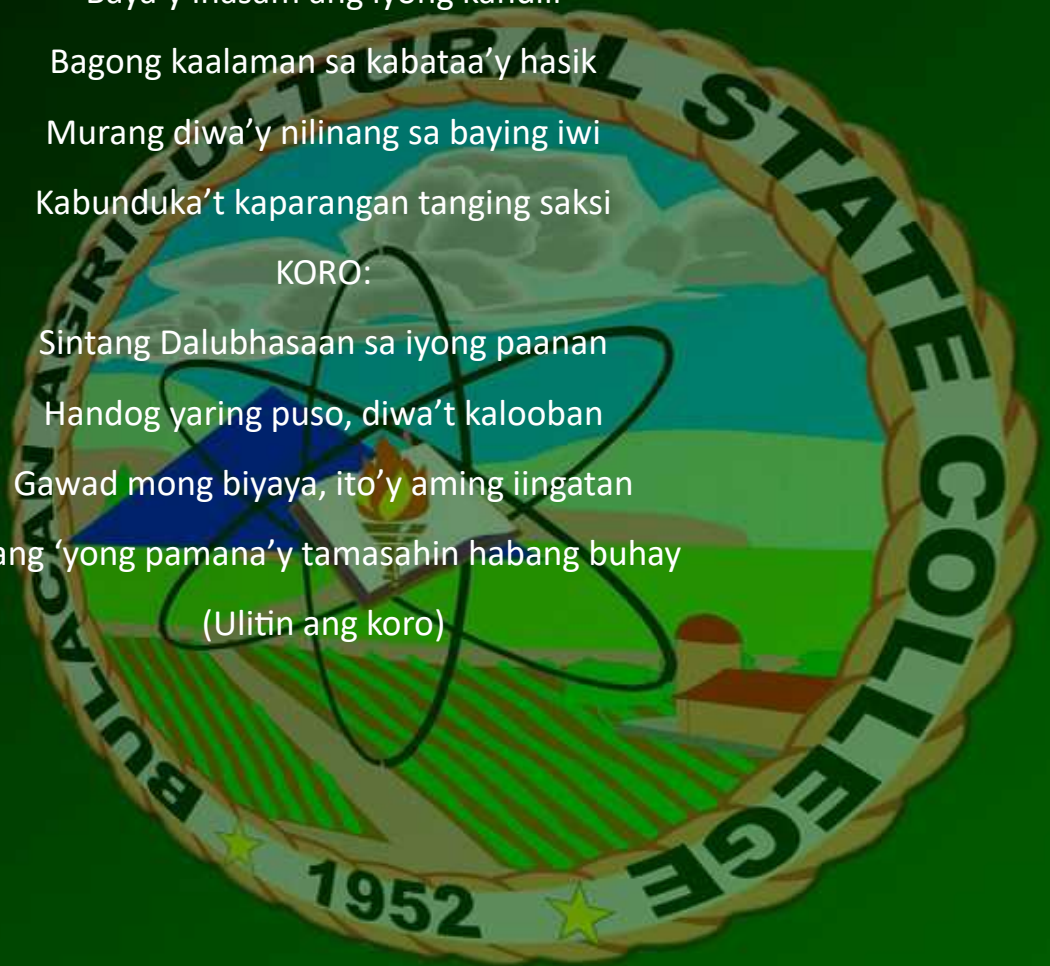

Sintang Dalubhasaan sa iyong paanan

Handog yaring puso, diwa't kalooban

Gawad mong biyaya, ito'y aming iingatan

Nang 'yong pamana'y tamasahin habang buhay

(Ulitin ang koro)
