A. Clarification and Query from Prospective Bidder

Query	Answer
1. We wish to bid for Lot 1 and Lot 2. Can we prepare all the necessary documents as one (for both Lots 1 and 2) including the SLCC, which requires 50% of the total ABC?	<p>Yes, you can prepare all the necessary documents as one for both Lot 1 and Lot 2, including the SLCC, provided the SLCC meets 50% of the total ABC for both lots combined.</p> <p>However, since the project shall be awarded per lot, the bidder shall submit a separate financial bid form for each lot. This ensures that the procuring entity can evaluate the financial offers for each lot independently, even if the technical and eligibility documents are combined.</p>

For the guidance and information of all concerned.
