

2025 ANNUAL REPORT

Bulacan Agricultural State
College

Mandate:

BASC provides higher professional, technical, and special instructions for special purposes and promotes research and extension services and advanced studies in agriculture, arts and science programs and other allied courses. It also offers short-term technical and vocational non-degree courses within its area of specialization to meet the needs of the nation.

Vision:

A globally-engaged higher education institution of agriculture and allied disciplines.

Mission:

Provide excellent instruction, conduct relevant research and foster community engagement that produce highly competent graduates necessary for the development of the country.

CORE VALUES

Excellence, Integrity, Good governance, Honesty, Truth

GOALS & OBJECTIVES

- **GLOBALLY RECOGNIZED EDUCATION.** Bulacan Agricultural State University (BASC) will be recognized as one of the premier universities in the country, offering affordable world-class education to produce highly competent manpower in agriculture and allied disciplines.
- **CUTTING-EDGE RESEARCH.** Research is the engine of innovation. Technologies and information generated by research improve the socio-economic status and build the resilience of vulnerable groups.
- **EMPOWERED COMMUNITIES.** The instruction and research programs of BASC contribute to societal progress, but it is through its extension programs that the university brings about direct and immediate effect on society. In the next 10 years, BASC will strengthen its community engagement for community empowerment.
- **SUSTAINABLE RESOURCE GENERATION.** The university is endowed with pool of experts vital for creating income generating projects that will help augment the resources provided by government. The challenge is to strike a balance between continuing the pursuit of excellence while maintaining environmental conditions that will support present and future generations.
- **CLIENT-CENTERED GOVERNANCE.** More exciting opportunities in exchange of information in agriculture and allied disciplines come in positioning BASC in the arena of ASEAN integration. We embrace the responsibility as a research university to build up experts engaged in effectively serving our clients—parents, students, farmers, entrepreneurs, policy makers and technologists by making our agriculture and allied discipline products more accessible.
- **USEFUL SPACES FOR INNOVATION.** Spaces are important for innovation. We would like to build upon the lessons of BASC's visionary leaders: versatile spaces are conducive for deliberate and serendipitous encounters where great ideas brew and flow.
- **SOLID ALUMNI ENGAGEMENT.** BASC alumni are college graduates of BuNAS and BASC as well as its secondary school graduates, all organized into the BASC Alumni Association.

Bulacan Agricultural State College
QUALITY POLICY STATEMENT

The **Bulacan Agricultural State College (BASC)**, a competitive institution of agriculture and allied disciplines, is created by law to develop highly competitive human resource, cutting-edge scientific knowledge and innovative technologies for sustainable communities and environment.

Towards this end, we, at the Bulacan Agricultural State College, commit to:

- Produce highly competent, quality and world-class manpower in agriculture and allied disciplines who are proficient in communication skills, critical thinking and analytical abilities;
- Generate and disseminate relevant knowledge and technologies that lead to improved productivity, profitability and sustainability in agriculture, environment and industry; and
- Satisfy the needs and applicable requirements of the industry, the community and government sectors who are in need of quality graduates and technology ready for commercialization through the establishment, operation, maintenance and continual improvement of a Quality Management System (QMS) which is aligned with the requirements of ISO 9001:2015.

It shall be the policy of the College that the quality policies and procedures are communicated to and understood by all faculty, staff, students and other stakeholders and that the system be continually improved for its relevance and effectiveness.

Dear **President Marcos:**

Greetings from the BASC community

I hereby submit to your good office the 2023 Annual Report of the Bulacan Agricultural State College which encapsulates all our humble accomplishments for the past year. This report is anchored on our three major thrusts of Instruction, Research and Extension.

We've also included sections on general administration, university events, collaborations, and publications to highlight some other equally relevant accomplishments of the institution during the said year.

We at BASC are very much thankful to the wholehearted support of your administration has extended to our dear university. We will aspire to work better in the years to come to be the true to our mandate and push forward the national development goals and objectives of the Philippine Government.

Mabuhay at maraming salamat po!

Very truly yours,

JAMESON H. TAN, Ed.D, CESE

Message

from the Office of the College President

As we turn the pages of this Annual Report for the year 2025, it is with immense pride and excitement that we reflect on the remarkable achievements of Bulacan Agricultural State College (BASC) over the past year. This report not only highlights our notable successes but also serves as a prelude to the momentous occasion that lies ahead: the compliance of our College's universityhood requirements.

2025 has been a year of extraordinary progress and innovation for BASC. Our commitment to academic excellence, research advancement, and community engagement has been further strengthened, culminating in numerous milestones that underscore our role as a leading institution of higher learning. From research initiatives and award-winning faculty to transformative student experiences and significant infrastructural improvements, the strides we have made are both inspiring and indicative of our unwavering dedication to our mission.

As we approach the full compliance to universityhood, this year has also been pivotal in laying the groundwork for this historic milestone. We have embarked on comprehensive preparations to celebrate our transition with the grandeur and reflection it deserves. The forthcoming event will be a celebration of our rich history, a tribute to the countless individuals who have contributed to our success, and a launchpad for the future endeavors that will define the next century of BASC.

The successes of 2025 are a testament to the collaborative spirit and relentless pursuit of excellence that characterizes our BASC community. As we look forward, we are filled with anticipation and enthusiasm, confident that the foundation we have built will propel us towards even greater achievements and continued impact.

We invite you to explore the pages of this report and join us in celebrating our successes as we prepare to embark on the next chapter of BASC's storied journey.

JAMESON H. TAN, EdD, CESE

Student Enrollment

BASC continues to see a steady increase in its student population, reflecting its ongoing commitment to providing accessible and quality higher education. From 8,201 enrolled undergraduate students in the 2nd Semester of Academic Year 2024–2025, enrollment rose to 9,033 in the 1st Semester of Academic Year 2025–2026. This growth shows that BASC remains a strong and relevant choice for students. It also supports the College's goal of delivering inclusive, high-quality education while helping develop a skilled workforce that meets regional and national needs. At the same time, BASC continues to closely monitor enrollment trends to ensure that facilities, academic programs, and student support services keep pace and effectively support student success and well-being.

Overall, the accreditation results of BASC's programs reflect a strong and positive standing. With one program at Level IV, five at Level III, seven at Level II, and one at Level I, the majority of offerings meet or even exceed the standards set by accrediting bodies. These recognitions highlight the College's continued commitment to quality education and academic excellence. They also give assurance to students, faculty, employers, and other stakeholders that BASC delivers programs that are well-aligned with established standards and capable of providing meaningful and high-quality learning experiences.

In 2025, Bulacan Agricultural State College (BASC) achieved significant institutional gains and external recognition as a result of its strengthened business processes, enhanced quality assurance systems, and active knowledge-sharing initiatives. The College successfully sustained its ISO 9001:2015 Certification, demonstrating the effective implementation of standardized and quality-driven institutional processes. BASC was also included in the UI GreenMetric World University Rankings, reflecting its commitment to sustainability, environmental stewardship, and responsible campus practices. In addition, the College earned recognition under the QS Stars World University Rankings, highlighting its efforts in governance, academic quality, and stakeholder engagement. Its inclusion in the EduRank 2025 results further affirmed BASC's growing academic presence and research visibility. Moreover, the College participated in the 2025 World University Rankings for Innovation (WURI), showcasing its initiatives in innovation, entrepreneurship, and contributions to societal development. These achievements collectively reinforce BASC's commitment to excellence, continuous improvement, and global competitiveness.

In 2025, BASC implemented initiatives that supported leadership development, academic excellence, research, community engagement, and student well-being. Notable achievements included the international recognition of the BASC Liping Tagalog Folkloric Group at the Thailand International Folklore Festival, strong student performance in national academic and technical competitions, and active participation in international research conferences. The College also strengthened community partnerships through OJT contributions recognized by the City of Baliwag, expanded access to education through scholarships and financial aid, and promoted student wellness through mental health and life skills programs. In addition, the 2025 Intramurals fostered unity, integrity, and holistic student development.

Employee Welfare and Development

One of the highlights of 2025 was the Transformative Leadership Program held on May 26–27 at Quest Hotel in Tagaytay City, organized by CHED to enhance leadership skills among non-teaching personnel. The activity featured key speakers and facilitators who contributed to meaningful learning and engagement. Complementing this, the College's Gender and Development (GAD) Office conducted a seminar on sexual harassment awareness for both teaching and non-teaching personnel. The sessions emphasized the provisions of Republic Act No. 7877 and Republic Act No. 11313, proper reporting procedures, and the role of the Committee on Decorum and Investigation (CODI). Overall, these initiatives strengthened leadership capacity and reinforced BASC's commitment to a safe, respectful, and inclusive work environment.

BASC demonstrates a strong dedication to lifelong learning and career advancement. To improve their knowledge and teaching skills, faculty members actively took part in 746 different training courses, seminars, and workshops. Similarly, 689 training sessions, seminars, and workshops were attended by the non-teaching personnel in order to enhance their abilities and productivity in support and administrative roles. Among the highlights of 2025 was the Transformative Leadership Program, a two-day training workshop held on May 26–27 at Quest Hotel in Tagaytay City with the theme “Heart @ Work: Shaping the Future of Higher Education, Empowering SUC Personnel for Purposeful, Professional, and Productive Services.” Organized by the Commission on Higher Education (CHED) and the Office of Commissioner Desiderio “Bong” Apag III, D.Eng., the program focused on enhancing leadership skills among non-teaching personnel.

RESEARCH, EXTENSION, AND DEVELOPMENT

The completed and ongoing research, extension, and training projects carried out by BASC show the organization's dedication to knowledge development, dissemination, and community involvement. By utilizing expertise and research findings, these activities support not only academic growth but also social and economic development. A mutually beneficial interchange of information and resources is also fostered through them, as is collaboration between the institution and outside parties.

Facility Improvement and Resource Generation

- Infrastructure Projects/ Repair & Maintenance

The approval and implementation of sixteen infrastructure and repair projects, supported by a combination of funding sources—nine (9) from the General Appropriations Act (GAA) and seven (7) from internally generated income—demonstrate a strategic and diversified approach to campus development.

Overall, these infrastructure initiatives reflect BASC's proactive efforts to bridge facility gaps, enhance academic and operational environments, and support economic and institutional advancement through effective resource utilization and targeted development strategies.
